

## Welcome to Summer Term 1 Curriculum Bulletin for Year 7

Subject	What we are learning
English	Students will be studying Shakespeare's <i>The Tempest</i> - discovering conventions of a comedy, mystery and magic within Elizabethan England.
Maths	Lines and angles - students will discover more in depth understanding of triangles, quadrilaterals and calculating angles.
Science	Forces - balanced and unbalanced forces, mass and weight
Geography	Resources in the UK and the use of rocks
History	Complete the study of the Tudors and Begin the Colchester local Study
French	Describing pets, family, where you live, food and drink.
Music	Form and Structure - students will then begin to develop compositional skills
Drama	The history and origins of Greek Theatre.
PE	Practical activities covering striking and fielding and athletic events.
Computer Science	Introduction into spreadsheets.
RS	Sacred Spaces - Students learn holy places and sites of interest to different groups of people with faith
Resistant Materials	Designing and creating night lights through electronics - soldering, design and application of circuits.
PHSE	Celebrating differences - Respectful relationships including friendships

Please: discuss these topics at home, explore them in more depth through reading/watching relevant TV programmes; try new things at home or carry out some research. This will support your child's learning in the classroom.

For more information about these topics see our curriculum webpage:
