

Dear Parent/Carer,

At Ormiston Rivers Academy we offer extra music tuition lessons. All students have the opportunity to partake in one to one lessons with an external music teacher. Lessons take place for 15/30 minutes during the school day, which may be during a timetabled lesson. Lesson times change weekly to ensure students do not miss the same timetabled lesson. You can also request your child's lesson to be during break or lunch time. This is at a first come, first serve basis.

Due to current circumstances, we cannot guarantee lessons will start in September. We would therefore like you to register your interest via email. Please supply your child's name and the instrument/s they would like to learn to Miss Thurtle (cthurtle@ormistonriversacademy.co.uk) to secure your place once lessons begin.

Students can learn the instrument/s of their choice from the options below.

Students can learn up to 2 instruments.

Piano/Keyboard

Guitar (acoustic/bass/electric)

Drums

Violin

Voice

Yours sincerely

Miss C. Thurtle
