

17th June 2021

Dear Students,

We would like to outline the process for the collection of exam results this Summer.

Exam results dates are as follows:

- A Level: Tuesday 10th August
- GCSE: Thursday 12th August

Subject to changes in Covid-19 restrictions, we have decided to offer students two options:

- Receive their exam results statement via school email account on the morning of results day
- Collect paper results statement face to face from the academy from 9.00am to 11.00am

As such, we would like you to complete our short google form, so that we can plan appropriately.

<https://forms.gle/eo95FHxmaCyUQyEBA>

You will need to be logged into your school email account in order to access this link. **If you do not complete this form, you will automatically be allocated email results, and you will not be able to collect your results face to face.** The deadline for completion of the form is Friday 2nd July.

It is important to note, that you cannot choose both options. Should you choose to receive your results by email, we will not be preparing paper copies for collection, and you will not be admitted to the academy to collect them. Should you choose to collect your results face to face, we will not be preparing a statement of results via email. You will also need to select a time slot to receive your results, in order for us to maintain safe social distancing for all involved.

Should you have any concerns about your results, please feel free to email our pastoral team on: wellbeing@ormistonriversacademy.co.uk – This email address will be continuously monitored on results mornings, so that we can support you as quickly as possible by talking through your results with you, or referring you to another member of staff for support if necessary.

We have also attached a document to this communication, which outlines the process for submitting appeals after results have been received. This can also be found on our website at: Ormiston Rivers Academy - Teacher Assessed Grades 2021

If you would like to book an appointment to speak with our sixth form team on results day to discuss your sixth form offer or for additional support with university applications, please email: sixthform@ormistonriversacademy.co.uk as soon as you receive your results and the team will arrange a telephone appointment with you, in order of priority.

For Year 13 students, we are still planning to hold an outdoor celebration event on site on the exam results day. Further details will be sent out in due course.

Yours faithfully,

S. Carroll
