1. Appeals against internal assessment decisions (centre assessed marks)

Certain GCSE, GCE and other qualifications contain components of non-examination assessment (or units of coursework) which are internally assessed (marked) by Ormiston Rivers Academy and internally standardised. The marks awarded (the internal assessment decisions) which contribute to the final grade of the qualification are then submitted by the deadline set by the awarding body for external moderation.

This procedure confirms Ormiston Rivers Academics compliance with JCQ's *General Regulations for Approved Centres 2021-2022, section 5.7* that the centre has in place "a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates" and that the centre "must inform candidates of their centre assessed marks. A candidate is allowed to request a review of the centre's marking before marks are submitted to the awarding body."

Ormiston Rivers Academy is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Ormiston Rivers Academy ensures that all centre staff follow a robust *Non-examination assessment policy* (for the management of GCE and GCSE non-examination assessments). This policy details all procedures relating to non-examination assessments for GCE, GCSE, Project qualifications, including the marking and quality assurance/internal standardisation processes which relevant teaching staff are required to follow.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Ormiston Rivers Academy is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the marking standards to his/her marking, then he/she may make use of this appeals procedure to consider whether to request a review of the centre's marking.

1. Ormiston Rivers Academy will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
2. inform candidates that they will need to explain on what grounds they wish to request a review of an internally assessed mark as a review will only focus on the quality of their work in meeting the published assessment criteria
3. inform candidates that they may request copies of materials (generally as a minimum, a copy of their marked assessment material (work) and the mark scheme or assessment criteria plus additional materials which may vary from subject to subject) to assist them in considering whether to request a review of the centre's marking of the assessment
4. having received a request for copies of materials, promptly make them available to the candidate (or for some marked assessment materials, such as art work and recordings, inform the candidate that these will be shared under supervised conditions) within 3 academy days

5. inform candidates they will not be allowed access to original assessment material unless supervised
6. candidates will have 4 academy days from receipt of the requested information, to review and reach a decision whether to request an appeal. Candidates must have valid and sufficient evidence to justify an appeals request.
7. a candidate wishing to request an appeal must see the Exams Officer to discuss their reasons for appeal within the timeframe outline in point 6 above. If valid and sufficient evidence for appeal is produced, the candidate must complete an Internal Appeals Form and submit it to the Exams Officer, within the same timeframe.
8. Upon receipt of a completed Internal Appeals Form and supporting evidence, Ormiston Rivers Academy will allow 5 academy days for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline for the submission of marks.
9. Ormiston Rivers Academy will ensure that the review of marking is conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
10. Ormiston Rivers Academy will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
11. The candidate will be informed in writing of the outcome of the review of the centre's marking.

The outcome of the review of the centre's marking will be made known to the head of centre, who will have the final decision if there is any disagreement on the mark to be submitted to the awarding body. A written record of the review will be kept and made available to the awarding body upon request. The awarding body will be informed if the centre does not accept the outcome of a review.

The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

2. Appeals against the centre's decision not to support a clerical check, a review of marking, a review of moderation or an appeal

This procedure confirms Ormiston Rivers Academy's compliance with JCQ's *General Regulations for Approved Centres 2021-2022*, section 5.13 that the centre has in place "a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support a clerical check, a review of marking, a review of moderation or an appeal..."

Following the issue of results, awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged are provided by the exams officer.

Candidates are also made aware of the arrangements for post-results services **before** they sit any exams and the accessibility of senior members of centre staff immediately after the publication of results by email, directing them to relevant information on our website.

If the centre or a candidate (or his/her parent/carer) has a concern and believes a result may not be accurate, a review of the result may be requested.

Reviews of Results (RoRs) offers three services.

- ▶ Service 1 – clerical re-check
- ▶ Service 2 – review of marking
- ▶ Service 3 – review of moderation (this service is not available to an individual candidate)

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for a RoR service 1 or 2 is submitted to the awarding body as with these services candidates' marks and subject grades may be lowered. Candidate consent can only be collected after the publication of results.

If a concern is raised about a particular examination result, the exams officer, teaching staff and head of centre will investigate the feasibility of requesting a review supported by the centre.

Where the centre does not uphold a request from a candidate, the candidate may pay the appropriate RoR fee to the centre, and a request will be made to the awarding body on the candidate's behalf, Ormiston Rivers Academy will not refuse any request made on this basis.

If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support a review, an internal appeal can be submitted to the centre by completing the Internal Appeals Form at least 10 academy days prior to the internal deadline for submitting a request for a review. The appellant will be informed of the outcome of his/her appeal in writing, before the internal deadline for submitting a RoR.

Following the RoR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications *Post-Results Services* and *JCQ Appeals Booklet* (A guide to the awarding bodies' appeals processes) will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the RoR outcome, but the candidate (or his/her parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the *JCQ Appeals Booklet*. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The Internal Appeals Form should be completed and submitted to the centre within 5 academy days of the notification of the outcome of the RoR. Subject to the head of centre's decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required **30 calendar days** of receiving the outcome of the review of results process. Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.
