

How do I set up an account?

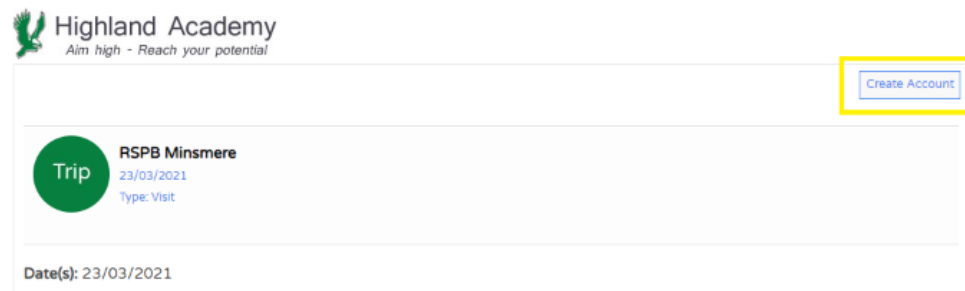

A myEVOLVE account is **optional**.

If you choose not to set up a myEVOLVE account, your child's school or college **will** still be able to communicate with you about upcoming trips and events, and you will be able to:

- * Pay for trips and clubs
- * Complete consent forms
 - * Make bookings

...all without an account.

However, if you wish to create a free myEVOLVE account to manage all payments, bookings and consent forms in one place, simply click the [Create Account] button on any of the emails sent to you from the school:

Creating the account is free, and very simple - you'll simply be prompted to enter a password to secure the account.

Once the account is created, you'll be able to manage all upcoming and previous activities from one central place - which works as well on your desktop PC as it does on a mobile device!

Home What's On My Bookings Consent I Payments I

Welcome

myEVOLVE provides parents and carers with access to information about the visits and activities that their children are involved in at school or college.

|  WHAT'S ON |  MY BOOKINGS |  CONSENT |
|  SHOP |  PAYMENTS |  ACCOUNT |

Once an account has been created, the next time you're sent an email from the school with an invitation, consent form or payment request, you can either action these *without* logging in, or simply click [Log In] to log into myEVOLVE.
