

20th January 2022

Dear Parents/Carers,

I am sorry to have to inform you that it will be necessary for the school to remain closed tomorrow, Friday 21st January, due to the ongoing issue with the heating system, which means that the building is below the acceptable temperature for occupation.

We have managed to identify the issue, and have specialists working to restore the water and the pressure to the heating system. I am therefore confident that we will be able to re-open on Monday 24th January.

All students will continue to be taught all lessons, including mentor time, via their Google classrooms tomorrow. We will endeavour to make as many of these as possible "live lessons".

You can find the link to access these on our website:
www.ormistonriversacademy.co.uk, then go to: Quick Links, and then to: Google Workspace. You may also find the following information helpful:
<https://ormistonriversacademy.co.uk/curriculum/parent-workshop>

You can also access your child's timetable via Go4Schools.

If you have difficulties in accessing the Google classroom, or have forgotten password details, please email: ODFS@ormistonriversacademy.co.uk, and support will be provided as soon as possible.

I am sure you will appreciate that the decision to close the school is not one that is ever taken lightly, and has been carefully considered in consultation with the Local Authority and Ormiston Academies Trust. I would like to thank you, once again, for your understanding and support.

Yours faithfully,

Ms. Jo Williams
Principal
