

Message from the Principal

It has been another busy week at Rivers as we approach the final week of this Autumn term and look forward to the festive break.

On Thursday and Friday this week we had our OAT Behaviour Boost to support us as an academy to raise standards by focusing on correct uniform, use of mobile phones during school time, behaviour on corridors, showing respect for each other and readiness to learn. Feedback has been really positive and I am so proud of our students for really stepping up to the occasion and committing to our CARE values. Once again, I would like to thank parents and carers for your support with this initiative.

On Tuesday, Wednesday and Thursday this week our Performing Arts department staged a spectacular all singing, all dancing performance of our school show "Love At First Flight". What a fantastic production! All the students involved performed superbly and should be extremely proud of themselves. A big thank you to our Performing Arts department for the enormous amount of hard work required to produce another brilliant school show this year.

We have lots of events taking place at the academy next week before we finish the end of the Autumn term on Friday at 1.50pm. We have our Sixth Form Parents Evening on Monday, a Year 7 & 8 Disco on Wednesday, our annual and much-loved student and staff Christmas lunch on Thursday and our festive end of term assemblies on Friday!

I wish you all a restful weekend and look forward to seeing our students on their return on Monday.

Jo Williams, Principal

Spell it: Gen-er-os-ity

Performing Arts Stars of the Week

The Performing Arts Team would like to recognise and celebrate the fantastic work that happens in the department each week. .

A massive well done to all of the students who took part and helped in our school show 'Love at first Flight'. The standard of the performances was outstanding and we will include some photos next week with more detail.

Thank you to all the parents/carers for their support and donations also.

Well done to all!

FRANÇAS Ellie H Year 8

Español Adele R 9D2

Pippa G Year 9

Year 7 have been reviewing their Bebras results, and I'm pleased to say that a lot of students did well, achieving a Merit or Distinction with the following students managing to achieve a score to put them in the top 10% of the country:

Archie - 7A1	Alexander - 7M2	Elissa - 7M2
Autumn - 7A2	Stanley - 7Z1	Harlie - 7Z1

Year 8 have been learning about searching and sorting algorithms and appreciating how a computer program is brilliant at performing monotonous tasks like sorting through a long list of data. Ellie in 8R1 produced some wonderfully neat and informative work.

Year 9 have been learning about encryption and have been practicing their Cypher codes including the Pig Pen Cypher and the Caesar Cypher. It's easy to see why it took hundreds of years for the Caesar cypher to be broken as the cypher text looks totally unintelligible unless you have the correct key.

Year 10 have their Autumn 2 assessment next week, so they have been revising in earnest. Hazel and Suzie from 10D1 have shown an incredible work ethic to their revision.

Year 11 have nearly reached the end of the topics and soon it will all be about focussing on the areas they feel less confident with.

We are currently running the following clubs and revision sessions:

(After Christmas Business will be after school on Monday's)

Year Group	Club	Day	Time	Room
Years 7 & 8	Computer Science Club	Monday	Lunchtime	IT02
Year 10	Computer Science	Monday & Friday	After School	IT02
Year 10	iMedia	Monday & Friday	After School	IT02
Year 11	Computer Science	Monday & Friday	After School	IT02
Years 12 & 13	Media	Wednesday	After School (Not on Parents Evenings)	IT02
Year 13	I.T.	Monday	After School	IT04
Years 10 & 11	Business	Friday	After school	IT04

Year 7 - Mr Moon

Another positive week for Year 7 as our attendance is sitting at 94.57% and is still the best in the whole school. Let's continue to show up every day with a positive attitude for learning. The tutor group with the highest attendance is once again 7A1 with 96.00%, so well done to Mr Chapman and the students in his form.

The three students with the highest merits awarded this week are Seren (7D2) with 200, Bellamarie (7D1) with 190 and Harriet (7A1) with 190 also. A big well done to those students. It's great to see lots of merits being given out. Mr Lyu and his tutor group are still leading the charge for the year group.

Next Friday is our very first honours assembly for Year 7. During assembly I am very excited to be giving out certificates and rewards for the winners of the various categories. There is still time for teachers to nominate students, so make sure you are all showing your best selves and demonstrating our CARE values within lessons and around the school.

The Rewards breakfast for this half term is for any student with 0 negative points. More information will be shared regarding this closer to the time. There are currently around 20 students with zero negative points, so keep it up!

As you may have heard, some people from OAT have joined the school over the last 2 days for our behaviour boos initiative. This has been hugely successful and they have shared lots of positive messages with me about how Year 7 have behaved and their attitude to learning, as well as their demonstration of the CARE values.

I have really enjoyed seeing so many Year 7 students getting involved during their rugby and dance lessons for PE. The numbers for these afterschool clubs have started to decrease, which is a real shame. It would be great if we could really push for students to attend clubs, as this is a great chance for them to meet like minded people and build strong friendships. All afterschool clubs are free and there is a late bus that runs, ensuring students have a way to get home. Please make the most of the clubs that are currently running before they change in the new year.

I hope you have a restful weekend ready to start next week with a positive attitude.

Year 8 - Ms Scott

Dear Parents and Guardians,

This week, we were fortunate to have the Behaviour Boost Team join us to support our efforts in addressing uniform and classroom disruption issues. I am extremely proud of our Year 8 students, as only a small number needed reminders to comply, and these matters were resolved promptly. I am optimistic that these corrections will have a lasting impact, leading to significant improvements in our school's overall atmosphere, student attitudes, and well-being.

During my learning walks this week, I had the pleasure of observing some truly exceptional moments in our classrooms:

- In Ms. Taylor's RE class, students engaged with the significance of the celebrated EID holidays, showcasing some beautiful work in their books.
- Ms. Thurtle's music lesson was alive with energy as students explored reggae music. A special mention goes to Mia L., who impressed everyone with her skills on the steel drums!
- In drama with Ms. Mason, I witnessed a captivating performance by George C., Leo F., James J., and Fraser H. Their scary scene was brilliantly executed!

Finally, I'd like to highlight and congratulate the following students for their outstanding positive behaviour this week:

James B.	Gracie W.	Jessica M.	Sam A.	Katelynn C.
Megan R.	Bella Rose B.	Thomas F.	Riley N.	Josh J.

Well done to all of you! Your efforts and attitudes are a credit to Year 8, and we look forward to seeing continued excellence in the weeks ahead.

Next week will see lots of celebrations including our highly anticipated Christmas Disco, and the Rewards Breakfast. I can't wait to celebrate with the students and get them ready for the Christmas holidays. 😊

Thank you for your ongoing support.

Year 9 – Ms Thurtle

Dear Parent/Carers,

I hope you have all had a lovely week. It has been a busy one here, with our school show and behaviour boost.

I would like to congratulate all of the Year 9 students who have performed outstandingly in 'Love At First Flight'.

Ethan. A, Jessica. W, Sophie. T, Danica. C, Mollie. B, Aleixa. C, Amber. H, Erin. R, Adele. R, Erin. R, Rose. P, Sophie. L, Darcey. J & Immie. M.

In assembly this week, students were reminded about high expectations in and outside of the classroom. As an academy we have had a behaviour boost with support from OAT, focusing on key areas.

Our highest merits scorers for this week are:

Pippa. G (9Z2)
Thomas. O (9Z2)
Ben. H (9Z2)

All for 9Z2! Well done.

I look forward to our honours assembly next week in our final week of term.

Have a lovely weekend.

Year 10 – Ms Taylor

This week in assembly, Year 10 have been informed about the ranges of leadership opportunities for students in the school, and I am delighted that both the chair of the newly formed school council Jaya N - 10M2, and the vice chair Sebastian W - 10M1 are from our year group, and I have every confidence that they will lead the council with integrity. Jaya is also the school's representative for OAT - and should be justifiably proud of herself for this achievement.

Year 10 have also been rewarded with hot chocolate with the head today, and I would like to congratulate the following students for their efforts.

- Tylor Edwards (10D1) - He is always so respectful and kind to others, be it staff or students. Much deserved.
 - Kayden Deakin (10D1) - He receives merit points from a whole host of teachers and is a pleasure to speak to. He certainly deserves this recognition.
 - Jack Carroll (10A2) - He is attendance and uniform is excellent. Jack has an amazing number of positive merits, the most in the form group, achieving lots in Computer Science, Mathematics and CARE value Ambition. I have been so impressed looking at Jack's progress in his subjects, in particular Computer Science. Jack is consistent in his hard work and commitment to achievement.
 - Tobi Boler (10A2) - Tobi has faced some challenges recently in light of his sporting injury, but through his resilience and determination he has not let this effect his school career. He has endeavoured to attend school, even when this has been at times physically a challenge. Tobi has remained focused on his studies and has made good progress in his subjects, in particular Science and Health and Fitness. He continues to be committed to his passion for Rugby outside of school.
- Edward B (10M1)
 - Ronnie S (10M1)
 - Amelia T(10Z1)
 - Isabelle J (10M2)
 - Jack M (10M2)
 - Sam T (10A1)
 - Oliver B (10A1)
 - C.J H 910Z2)
 - Bella W(10M2)
 - Skye H (10Z2)

Also congratulations to our top merit achievers this week:

Bella W (10M2)	George C (10M1)	Ash H (10M1)	Matthew C (10M2)	Alex J (10M1)
Sam T (10A1)	Hollie P (10D1)	Tobi B (10A2)	Jack C (10A2)	Tom N (10D1)
Hazel W (10Z1)	Faith W (10Z2)	Cooper P (10A2)	Bobby A (10A2)	

10A2 achieved the greatest number of students with top merits this week, so massive congratulations to Miss Nice and her form.

Finally, congratulations to the very many Year 10 students who received CARE postcards for their efforts since their release. It was lovely to see how proud they were of their efforts.

As we approach the well break, I am proud of them for their continued efforts, with the majority making good decisions most of the time.

Year 11 - Mr Field

It is great to see Year 11 continuing to work hard and focus on their studies during the run up to Christmas. Every little bit of study helps towards the larger goal and their next steps in life.

The year group continue to have assemblies from different departments talking about their subjects, and this week was Science. The students were shown a revision timetable for the subject to help them along their way and to help plan and prioritise their studies. A wonderful thought provoking quote was used during the assembly to help ensure students continue to work hard.

'Hard work beats talent, when talent doesn't work!'

Well done to the top merit point earners this week:

Jack, Elliot, Beth, Ethan, Harvey, Katie, Harry, Olivia, Alisha, Amy, Skie, Ben, Lola.

Well done everyone. Have a lovely weekend and keep up the good work.

RIVERS SIXTH FORM

Year 12 & 13 - Mrs Wilkins

It is wonderful to see so many of our year 13 UCAS students receiving offers back from their chosen universities. We have even seen a few unconditional offers based on the outstanding applications. Just a remind that our internal deadline is next week to ensure we have sent all applications off before the mad rush in January.

Sixth Form Parents Evening is now closed for bookings and will take place on Monday 16th December. Please contact Mrs Penberthy if you had any issues with making your bookings.

Many of our Sixth Form students took part in the annual school musical. This year it was an original piece titled 'Love At First Flight'. In Act one we saw all of our Sixth Formers perform 'There's a Storm a'Coming' from the musical Standing at the Skies Edge. The harmonies and movement was fantastic.

Mobile phones are becoming a concern as there are many being used in the corridor. Sixth Form students must remember they are role models and therefore phones and ear pods must be away when moving around the building.

Friday Feels

Today we celebrated our students with our termly Honours Assembly. It is fantastic to see the outstanding comments from teachers and tutors about all the wonderful things our students are doing. Congratulations to everyone who received a reward. Keep up the hard work.

RIVERS SIXTH FORM

Thank you to everyone who has brought in a decoration for Sixth Form. Our area is looking very Christmassy.

Students are continuing to take it in turns to move our "Elf on the Shelf. It has brought a lovely warm feel to area and it is wonderful to see the students getting into the spirit and working together.

Finally, next week is our new Christmas trip to London Universities, the British Museum and Winter Wonderland. We will be travelling to London with 62 students to spend the day enriched with culture and Christmas traditions. We are all looking forward to spending this time with the students and enjoying this time of year in London. Students will need to meet at Burnham train station 9:20am where they can purchase their train tickets. We will be arriving home around 8:30pm. Please make sure you are dressed appropriately with suitable footwear as there will be a lot of walking outside.

One more week to go! Please all wear your Christmas jumpers on Friday for our last Friday Feels!

Catering

Menu

We have pleasure of enclosing a link to next weeks [menu](#). Please note that items are subject to change at short notice due to availability of produce from our suppliers. We welcome feedback on our catering offer; so please email our catering manager, Leanne Warner at lwarner@ormistonriversacademy.co.uk with any comments / suggestions.

Nut Allergies

Any form of nut or products that contain nuts should not be brought into school. We do have students with severe nut allergies, which can be life threatening, and we would appreciate your support in keeping them safe.

Parentpay

The daily limit for students to spend is set at £4.50 as a default. This means, should a student select items at break and / or lunch which take them over the limit, they will be asked to put something back. If you would like to change the limit on your child's account please email our catering manager lwarner@ormistonriversacademy.co.uk. Please note: it can take a while before the cashless system updates once you have added funds to your child's catering account. Please be mindful of this and try and get the money on there in plenty of time for break / lunch. When adding funds please ensure you add it to Dinner money and make sure it's not just sitting in your parent account.

Free School Meals

The daily limit for free school meals is £3.30. Funds will need to be added to your child's Parentpay account should you wish them to be allowed to exceed the limit.

Catering Cards

Students must tap their catering card each time they wish to make a purchase, even if they are entitled to free school meals. Please remind them that they need to bring their catering card in every day. Those students without their card will be held back until the end of the queue, allowing those through with cards first. The cards really speed up the catering service, giving students more time to socialise with friends and eat their food. If a card is lost or damaged, a new one can be purchased for £1 on ParentPay. The new card will be delivered to tutors the following morning.

If you have any questions regarding any of the above please contact either Leanne Warner, Catering Manager lwarner@ormistonriversacademy.co.uk or Angela Mahoney, Finance & Business Director amahoney@ormistonriversacademy.co.uk.

Helping parents to understand the changes to fines for term time holidays

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools after 19th August 2024.

Who may be fined?

Penalty Notice Fines are issued to each parent who allows their child to be absent from school.

For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.

First Offence

The first time a Penalty Notice is issued for an unauthorised term time holiday the fine amount will be:

£80 per parent, per child if paid within 21 days.

Increasing to £160 if paid between days 22-28.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence, including the U code (late after registers have closed).

For example: a 5 day holiday would meet the national threshold.

The 10-school week period can span different terms or school years.

Second Offence

(within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be:

£160 per parent (who allowed the holiday), per child, payable within 28 days.

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court.

Prosecution can result in criminal records and fines of up to £2,500.

Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.
