

Message from the Principal

It has been a busy week at Rivers as we get into the swing of the Spring Term.

On Thursday our Year 9 & 10 students attended an N-Act play 'Shadow', commissioned by Maldon District Council to support our PSHE programme. Shadow is about consent, manipulation and the courage to stand up and be counted. Throughout the performance they shared strategies to enable our students to become empowered to make the right choices.

To support with our focus on improving presentation in students' books, students in Years 7-10 will no longer be allowed to take their books home and their books are to remain in school. To encourage students to take pride in the presentation of their work and to reward students who have produced work presented to a high standard, our Sixth Form leadership team will be giving out CARE cards on Friday break and lunchtime in Student Reception to students that show them a book that they are especially proud of.

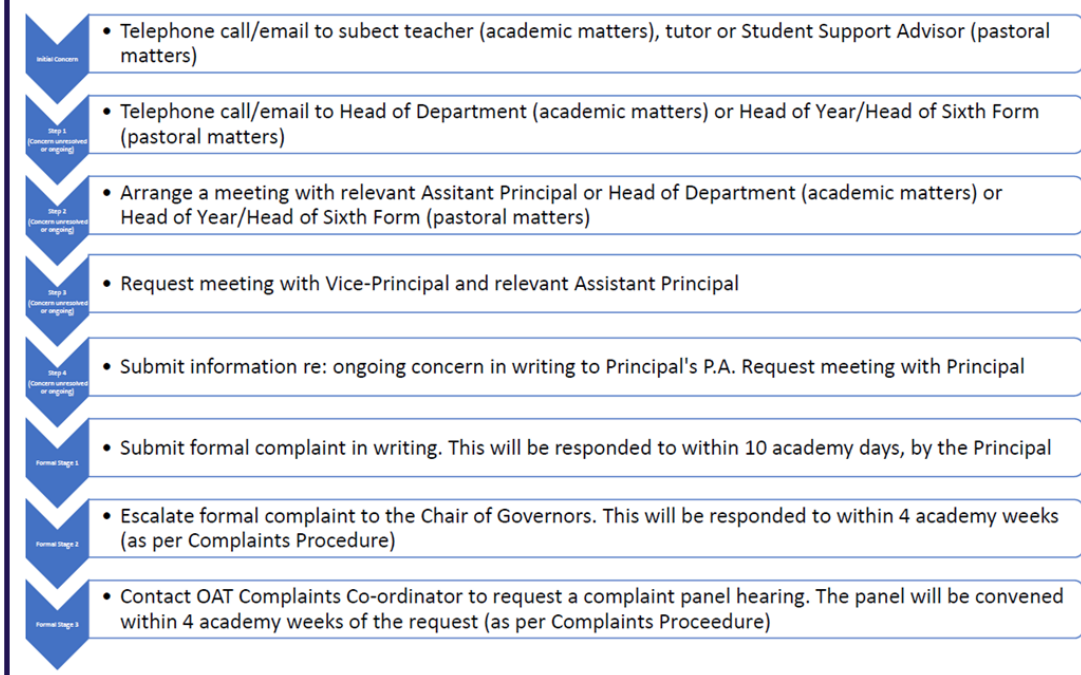

Following my letter to parents and carers this week regarding our channels of communication and our commitment to collaborating with the school community to create a positive and inclusive school environment, please can I remind you of the steps to follow if you are seeking guidance or support for your child which you will find below. More information is also available on the Parent Help Hub on our website which can be found here: [Ormiston Rivers Academy - Parent Help Hub](#)

I wish you all a lovely weekend and look forward to seeing our students on their return on Monday.

Our provisional schedule for our February PPE season is shown below. This year, in response to new Ofqual guidelines, copies of the papers and results will be kept to be used as evidence of student performance in the unlikely event of the cancellation of public exams. Consequently, **as with the final public exams themselves, there will not be an opportunity to sit the paper for evidence purposes at a later date.** Attendance of every exam is therefore extremely important.

Individual timetables will be issued to students once seating allocation has been completed.

Year 7 have been learning about the Central Processing Unit and how it processes data using the 'Fetch – Decode – Execute' cycle. They have also looked at the way we measure frequency using Hertz.

Year 8 have been looking at how criminals use social engineering techniques to obtain sensitive information. This is a useful lesson to highlight potential threats the students could face in everyday life.

Year 9 have continued looking at graphics and this week the focus was vector images. Vector images don't lose quality when they are enlarged which is really useful for logo design and the students started making their own logo's based on a design brief.

Year 10 have been learning about Primary and Secondary storage and how data is stored on different devices. Attached is a neat example of student work from Alex in 10D

Year 11 have been looking at the ethical issues connected to computing and also legal obligations and requirements such as the Data Protection Act (2018), Computer Misuse Act (1990) and the Copyright, Designs & Patents Act (1988).

Exciting opportunity: World Challenge trip to eSwatini

I am delighted to share an exciting opportunity for our students in Years 9, 10 and 11.

Ormiston Rivers Academy is pleased to be partnering with World Challenge to offer an expedition to eSwatini in July 2026.

World Challenge is renowned for creating life-changing experiences for young people, designed to develop resilience, teamwork, leadership, and cultural awareness. This trip will provide our students with a unique chance to step outside their comfort zones, immerse themselves in a new culture, and make a meaningful impact through a community project.

[Here](#) is a short video about what World Challenge trips are all about.

Our 2026 eSwatini expedition will be launched to students during form time in the new year, with a online parents information evening on the 23rd of January.

We believe that opportunities like this can inspire students to think globally, challenge themselves, and create memories that last a lifetime.

We are excited to support our students as they embark on this unforgettable adventure.

For a preview of the itinerary and to register for the zoom call on the 23rd please check out our [trip page](#).

More details to follow in the new year!

Year 7 - Mr Moon

Yet another great week for Year 7!

In our Culture Thursday weekly activity during tutor time, we looked at taking pride in our work and the presentation within our workbooks. It has been great to see so many workbooks already demonstrating that student see the importance of taking pride in their work.

Student Shoutouts:

Attendance: The attendance for Year 7 is 94.68% this week. I know this time of year is hard with increased amounts of illness, but it is so important that we try to get to school so that we can achieve our goal of being the best year group. The tutor group with the best attendance this week is 7A1 with 96.64 % followed closely by 7A2 with 95.80%.

Merits: The top 3 merit earners this week are:

1st Nevaeh 7Z1 with 180 merits. Well-done!

2nd we have Dougie and Ronnie 7Z1 with 160 merits each. Amazing work boys!

3rd we have Mia, Annabel- Rose and Jack in 7Z1. Well done to you guys and I think it goes without saying that 7Z1 are top this week in merits, so a special well-done to all of 7Z1!

Classroom Highlights

- **Science:** Students were calculating distance, speed and time.
- **Geography:** Students were identifying man made and natural constructs.
- **English:** students completed a spelling test based on a book they have read.

Helpful Reminders

Uniform: Please make sure you're wearing the correct uniform each day. Check the school guidelines if you're unsure about the details.

Library Books: Remember to return any overdue books and borrow something new to read during the week. The library is open during lunch for you to explore new books!

Mobile Phones: Phones should be off and out of sight during school hours. If you need to contact a parent or guardian, please use student reception.

Word of the week: Don't forget to submit your word of the week to Mrs Sams each week to receive extra merits.

CARE Cards: Parents, please ask your children if they received any CARE cards each day. I am hearing from the students that they are not showing people at home when they have received one, which is a real shame because you should be able to share in their joy for their achievements, so please ask your child about the CARE cards.

I Hope you all have a restful weekend and I look forward to another positive week.

Year 8 - Ms Scott

Dear Year 8 Parents and Carers,

I am pleased to see how well Year 8 have settled into the new term! This second week has been an excellent one, with so many positive behaviour points distributed, Year 8 have received glowing feedback from teachers about their conduct. Their responsibility, kindness, and positive attitude continue to impress us all.

A special shoutout goes to the Year 8 DT classes, 8R/DT5 and 8R/DT1, who demonstrated remarkable maturity and flexibility during recent room changes. Ms. Nicholls was full of praise for how gracefully they handled the situation, and as a token of appreciation, we will be issuing a special treat for these classes. Well done!

Looking ahead, we are very excited about the upcoming trips for Year 8. These include the highly anticipated Science Museum trip and the Disneyland Paris trip, both of which promise to be enriching and enjoyable experiences. We are also in the process of planning additional trips over the next few months to further engage and inspire our students.

Finally, a big congratulations to our Top Positive Students this week:

Eleanor B
Sam A
Brianna B
Fraser H

George R
Jude L
Lenny S
Bobby P

Dean J
George O'S

Thank you for your ongoing support. We are so proud of everything Year 8 has achieved so far and are looking forward to even more successes as the term progresses.

Year 9 – Ms Thurtle

Dear Parents/Carers,

I hope you are all well. Another week has quickly passed at Ormiston Rivers with students well engaged in their studies for this new term.

Thank you to Mr Chapman for running our assembly this week on the history of the Holocaust. Year 9 students also had the privilege to watch 'Shadows' by the N-Act Theatre Company on Thursday. This was an engaging piece of Theatre in Education, focusing on consent.

As always, your collaboration with us is always appreciated. I am asking for your continued support in ensuring that all Year 9 students adhere to our school's uniform policy. To assist us in this, I encourage you to:

- ⇒ Check that your child is wearing the correct trainers for school. Air Nike Forces are fine. A number of students are choosing to bring other shoes in their bag. Correcting this is wasting their valuable learning time.
- ⇒ Please ensure that your child is leaving for school in a coat rather than a hoodie.
- ⇒ Please check your child's uniform before they leave in the morning.

We are happy to lend any part of the uniform out to students, should you need time to purchase an item.

Well done to the following students for earning the most merits this week!

Erin. R (9D2), Edward. R (9A2), Adele. R (9D2), Henson. H (9A2), Logan. C (9Z1)

A reward trip to Thorpe park is fast approaching. Students will need to exceed 2800 merits and not exceed 500 behaviour points to attend.

Key Dates for Term 2:

- 29/01/25 - Layer Marney Tower trip (invitation only)
- 31/01/25 - Year 9 Options booklets distributed to students.
- 12/02/25 - Year 9 Options assembly
- 13/02/25 - Year 9 Parents' Evening
- 14/02/25 - Options form distributed
- 14/02/25 - Ski Trip
- 07/03/25 - Options form returned
- 11/03/25 - Year 9 Immunisation Session 1
- 14/03/25 - Year 9 Immunisation Session 2

Have a restful weekend.

Year 10 – Ms Taylor

The Year 10s have their Parent's evening this coming week on Tuesday. I really look forward to welcoming all parents in to discuss your child's progress, attainment, positive news and areas to develop. This is the first opportunity since they started their GCSEs to discuss these matters, and it is really important that you attend or contact the teachers to find out.

We have been talking about some key topics in the PSHE curriculum this week. Firstly, in the weekly assembly where Mr Chapman was talking about the need to show our CARE values and making a stand against discrimination. Secondly, in a theatre production relating to consent within relationships. This was an entertaining show with a clear message to our students - showing respect.

The daily CARE rewards continue this week and we have had lots of Y10s receive their sweet treat at the end of the day. We continue to have a number of students who receive 100 positive points or more each week (see below) and those who have improved/excellent attendance to school.

The top merit achievers for this week are:

Tylor E (10D1)	Maisie B (10Z2)	Jude P (10A1)	Ava H (10D1)
Bobby B (10D1)	Freya C (10D1)	Stefan W (10Z1)	Madison P (10M1)
Hollie P (10D1)	Callum G (10A1)	Thomas Y (10Z1)	Sienna H (10A1)
Edward B (10M1)	C.J. H (10Z2)	Mia A (10A1)	Karsten M (10A2)

We have also been shown the World Challenge promotional video - an excellent opportunity to show our CARE values in the wider world community. This event has sparked interest - there is a sign-up form to register interest.

Have a good weekend and I look forward to seeing you on Tuesday.

Year 11 - Mr Field

This week during assembly, students were informed about Holocaust Memorial Day, which is approaching soon. It is always important to reflect on our past and how it can affect our future.

Students were introduced to the World Challenge trip organised for 2026. This is a superb opportunity and adventure to Eswatini in Southern Africa, where students will have the opportunity to help villagers to develop their local area, coupled with treks and a safari to see big cats, giraffes and zebras in their natural habitat. This will be a fantastic experience for the students during their sixth form year. For further information please see the newsletter dated 10th January, where you will find the link to attend the online presentation on the 23rd January.

It is important that forms confirming your attendance at the Year 11 prom have been returned. If you have not returned your form yet, please do so as soon as possible. If you have misplaced your form, please see Mrs Edwards to get another.

Top positive point earners this week are: Ailsa, Summer, Sam, Oscar, Bethan, Sofia, Brennan, Connie, Ava, Harry, Abigail, Sydni and Jack. Well done all.

Dates for your diary are:

- 30th / 31st January - Student mock interviews
- 10th - 14th February - Mock exams
- 24th - 28th February - Mock exams continued
- 20th March - Parents evening

Catering

Menu

We have pleasure of enclosing a link to next weeks [menu](#). Please note that items are subject to change at short notice due to availability of produce from our suppliers. We welcome feedback on our catering offer; so please email our catering manager, Leanne Warner at lwarner@ormistonriversacademy.co.uk with any comments / suggestions.

Nut Allergies

Any form of nut or products that contain nuts should not be brought into school. We do have students with severe nut allergies, which can be life threatening, and we would appreciate your support in keeping them safe.

Parentpay

The daily limit for students to spend is set at £4.50 as a default. This means, should a student select items at break and / or lunch which take them over the limit, they will be asked to put something back. If you would like to change the limit on your child's account please email our catering manager lwarner@ormistonriversacademy.co.uk. Please note: it can take a while before the cashless system updates once you have added funds to your child's catering account. Please be mindful of this and try and get the money on there in plenty of time for break / lunch. When adding funds please ensure you add it to Dinner money and make sure it's not just sitting in your parent account.

Free School Meals

The daily limit for free school meals is £3.30. Funds will need to be added to your child's Parentpay account should you wish them to be allowed to exceed the limit.

Catering Cards

Students must tap their catering card each time they wish to make a purchase, even if they are entitled to free school meals. Please remind them that they need to bring their catering card in every day. Those students without their card will be held back until the end of the queue, allowing those through with cards first. The cards really speed up the catering service, giving students more time to socialise with friends and eat their food. If a card is lost or damaged, a new one can be purchased for £1 on ParentPay. The new card will be delivered to tutors the following morning.

If you have any questions regarding any of the above please contact either Leanne Warner, Catering Manager lwarner@ormistonriversacademy.co.uk or Angela Mahoney, Finance & Business Director amahoney@ormistonriversacademy.co.uk.

Essex County Council

Helping parents to understand the changes to fines for term time holidays

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools after 19th August 2024.

Who may be fined?

Penalty Notice Fines are issued to each parent who allows their child to be absent from school.

For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.

First Offence

The first time a Penalty Notice is issued for an unauthorised term time holiday the fine amount will be:

£80 per parent, per child if paid within 21 days.

Increasing to £160 if paid between days 22-28.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence, including the U code (late after registers have closed).

For example: a 5 day holiday would meet the national threshold.

The 10-school week period can span different terms or school years.

Second Offence

(within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be:

£160 per parent (who allowed the holiday), per child, payable within 28 days.

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court.

Prosecution can result in criminal records and fines of up to £2,500.

Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.
