Dear Year 12 Parents and Carers,

Re: Mock Exams

As part of the preparations for your son/daughter's final exams next year, we will be running mock exams from the week beginning 26th June 2025 (a timetable is included below).

Mock exams are used to enable students to gain further experience in sitting formal exams. The information we gain from the exams also enables us to plan the year thirteen curriculum to maximise student achievement. Only content covered so far in year twelve will be included in the exams and subject tutors will be supporting students in their revision. Not all subjects are examined in this season, as some have already been subject to real examinations.

If you have any questions, please contact me.

We appreciate your support in your child's revision and wish them all the best in their exams.

Yours faithfully,

Dr Kevin Rumary
Assistant Principal
Ormiston Rivers Academy
