

Message from the Principal

It was lovely to welcome our students back for the final half term of this academic year and I hope they returned feeling rested and ready to learn. This Summer half term is always busy with lots of events taking place and planning for the start of the new year in September.

Exam season is still underway, and we continue to offer our Year 11 & 13 students any support that they need and wish them the best of luck with the rest of their exams.

On Wednesday 11th June we say goodbye to our Year 11 students with a special Leavers' Celebration Assembly, which is a really special opportunity for students to come together and celebrate their time at Ormiston Rivers Academy.

This half term, we look forward to a number of exciting events, including our fantastic Gym & Dance Show, the ever-popular Academy Sports Day, trips and activity day for Years 7, 8, and 9, work experience for Year 10, the Year 11 Prom and the Year 13 Summer Ball. A huge thank you goes to all the staff at Rivers for their dedication and hard work in organising these events, helping to provide our students with a rich and well-rounded school experience throughout the year.

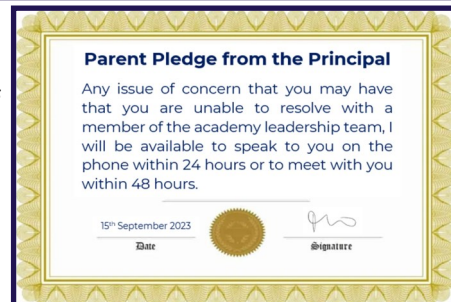

Today, 24 students in Year 9 set off on their Bronze Duke of Edinburgh Award expedition, walking a planned 17km route from Southminster to Bradwell and then camping at Essex Outdoors Bradwell overnight. On Saturday they will make their way back to Southminster along the routes they have planned in their DofE sessions this year. We wish good luck to all the students taking part and keeping our fingers crossed that the weather is kind to them for their adventure!

Over the Summer we will be carrying out some extensive school building improvement work. This will be starting on Monday 9th June and will be taking place around the front of the school building. Whilst we hope that any disruption will be kept to a minimum, please note that parking and access may be restricted in the area in front of the main entrance until the end of term. Please can parents & carers be mindful of this when dropping off and collecting students.

Finally, following the announcement of my decision to step down as Principal of ORA this September as I relocate to be closer to my family, I would like to express my heartfelt thanks to my colleagues and the wider Rivers community for their warm wishes and support. I would like to reassure students, parents, and carers that I will be working closely with Ms. Piralic over the next half term to ensure a smooth and seamless transition as she steps into the role of Acting Principal in September.

I wish you all a lovely weekend and look forward to seeing our students on their return on Monday.

Jo Williams, Principal

Exams News

We have been pleased to see that students' enthusiasm and positive attitude towards their exams has continued after their half term break, well done students, only a couple of weeks to go now.

We are now preparing for Year 10 and Year 12's first round of mock exams which will take place straight after the Year 11 and 13s have finished. Parents will have received letters showing the proposed schedule last week, a copy of this is now shown below. Year 10 Students received personalised letters in form time this morning, addressed to parents; these included students' individual exam timetables and details of any exams support which the SEND department have put in place for them. Year 10 students will have an assembly at the beginning of next week in which Dr Rumary will explain the process to them in more detail. Personalised timetables for year 12 students should also be ready for distribution by the middle of next week.

Good Luck Everyone
The Exams Department.

Year 7 - Mr Moon

Welcome back Year 7 to our final half term. Seven weeks to go until we become Year 8!!!

This week we have been busy getting back into routines and we have introduced a new reward system called the pupil achievement award, which prioritises attendance and merits received in a term.

We have had great numbers at clubs this week and with district sports coming up soon this is your chance to prove you are the best at your chosen event.

Our assembly today concentrated on one of our CARE values. We spoke about ambition and how important it is to make the most out of all the opportunities each day provides.

I love hearing about achievements that students have had outside of school, and would love to be able to share these successes with everyone. I would therefore like to ask parents to send in any accomplishments that happen weekly, so that I add them to this newsletter and read them out in line ups and assemblies. Celebrating all the amazing things that the Year 7 are doing helps us bond as a community and become a close and tight knit year group. Please send all information about your child's accomplishments to Mr Moon and Mrs Byford via email.

A second week for Rebecca who has really made a change since the start of school, getting loads of CARE cards and merits in all lessons

Student Shoutouts

Attendance for Year 7 is 93.68% this week and this is the worst it has been for a long time. I know it can be hard to motivate students to get into school, but it is vital that they are in lessons learning.

The top 3 merit earners this week are Danny (7Z2) with 150 merits, Lacey (7M2) with 140 merits and then Millie (7M2), Zhani (7M2), Bella (7M1), Max (7M2), Evie (7M2), Navaeh (7Z1) and James (7Z2) with 130 Merits. Great work from everyone this week for earning so many merits! A special shout out goes to 7M2 for being the highest merit earners for the week. Well done!

Helpful Reminders

Contacting school: Please contact form tutors in the first instance. If your do not get a response from the tutor, please then contact me in the second instance. This ensures that your query can be dealt with quickly and efficiently. When e-mailing the school, could you also please copy in Miss Byford so we are kept in the loop.

Uniform: Please make sure you're wearing the correct uniform each day. Check the Ormiston Rivers Academy website for the school guidelines if you're unsure about the details.

Library Books: Remember to return any overdue books and borrow something new to read during the week. The library is open during lunch for you to explore new books and they have exciting events being held regularly! Check in the library or for announcements in the newsletter for details.

Mobile Phones: Phones should be off and out of sight during school hours. If you need to contact a parent or guardian, please ask at student reception.

Word of the week: Don't forget to submit your word of the week to Mrs May at rmay@ormistonriversacademy.co.uk each week to earn extra merits.

CARE Cards: Parents, please ask your children if they have received any CARE cards. This is an achievement and it would be wonderful for students to share this with their family.

Year 8 - Ms Scott

Dear Parents and Carers,

We've had a fantastic first week back with Year 8, and it's been wonderful to see students return with energy, enthusiasm, and a readiness to learn. They've settled straight back into lessons and are already showing a mature attitude towards their studies and school life. We're really looking forward to what promises to be an exciting and rewarding term ahead.

A particular highlight this week was the first rehearsal for the Royal Shakespeare Company production that some of our Year 8 students are involved in. They are working hard to bring King Lear to life in what will be a spectacular performance. Tickets are now on sale, and we'd love to see you there to support our talented young performers. You can find more information and book tickets here: [RSC Regional Playmaking Festival 2025 – Mercury Theatre](#)

In assembly this week, our theme was resilience – the vital life skill of bouncing back from setbacks and knowing when to seek help. We discussed how important it is to push through challenges and not give in to the belief of "I can't." A number of students have voiced this when faced with difficult moments, but we're encouraging them to remember that they can do it – and that using resilience builds confidence and independence for the future.

A huge well done to Ms. Corbett's Heroes of the Week:

★ James J – for achieving the highest number of positive points this week. What a fantastic start to the term!

★ Sonny M – for the most improved behaviour, showing great effort and progress.

As our Year 11 students begin their departure from school life, Year 8 will start to step up and begin preparing for the transition into Year 9. It's a great time for reflection, growth, and goal-setting.

In English lessons, Year 8 have made a great start reading Great Expectations by Charles Dickens – a fitting and ironic title as they begin to look ahead to their own exciting futures.

Thank you, as always, for your continued support. We look forward to keeping you updated on all the brilliant things happening in Year 8 this term.

Year 9 – Mr Marklew

Wow! What a first week back - there seems to have been a real sense of the Year 9's maturing over the half term break: they have come back to school focused, and settled straight back into their studies.

As a year group we have received a larger proportion of the 55, 000 points that have been awarded this week. I have shared with the year group the top merit earners and discussed how these students are the role models for the year group.

In our assembly the focus was on overcoming barriers to success. How it seems to be the year of the underdog - the example being Southend United FC. How they can overcome difficulties no matter how big or small.

Our careers focus in form time was about Apprenticeships and our Post 16 Options. This seems to be a big jump into the future, but the next 2 years will fly by. Conversations about the Year 9 Options are being held and there has been a letter sent out regarding this process.

I wanted to wish the large cohort of Year 9's taking part in the D of E camping expedition all the best this week. My fingers are crossed that the weather is kind to them, and I look forward to hearing how they did next week.

Contact: dmarklew@ormistonriversacademy.co.uk

Year 10 – Ms Taylor

This week I led the assembly for Year 10, and we focused on preparation for the upcoming mock exams. I asked students to ensure that they know the exam boards for each of their subjects and to look on exam board websites at past papers, mark schemes and examiners reports. The best preparation is to get into the mind of an examiner. Subject staff can provide support in what websites are the best for their syllabus, however BBC Bitesize provides support for all subjects by exam boards with quick quizzes, podcasts and videos. Seneca and Method Maths are other resources used widely across the school.

I have advised the students to treat their mock exams as though they are the real thing, as in this way, we can best prepare for the actual GCSE's in summer 2026. Teachers can only address any misconceptions if the students have revised, and there are few formal opportunities to correct these. We are now on the year countdown.

Many students have started this half term very positively and increasingly are looking like the role models Year 11 should be. With Year 11 almost gone, this a role they should be stepping up to.

Shout outs to Dexter G (10M1) and Albert S (10M2) this week for a real effort in improved behaviour.

Congratulations also to our top merit achievers this week:

Wishing all Year 10's a productive weekend of revision.

Year 11 - Mr Field

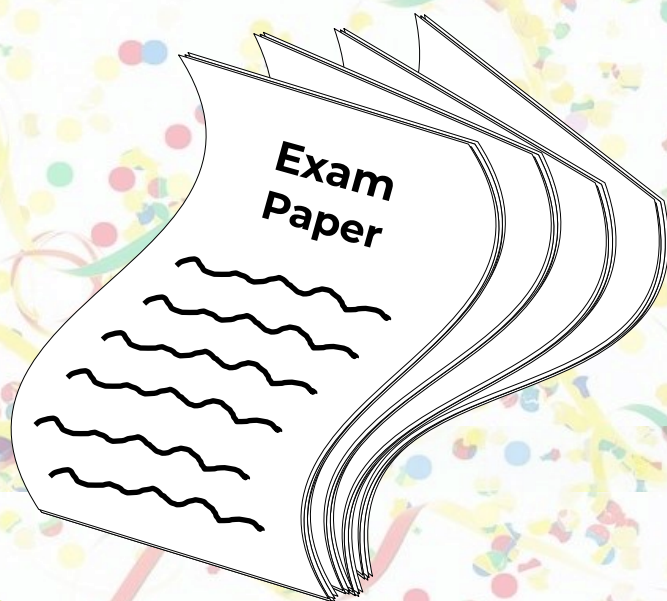

As we approach the final exam, the date for the leavers assembly has been organised. Once the students finish their Maths exam on Wednesday 11th June, they will enter the main hall for the assembly. This will be a great way of finishing the year and celebrating five years of secondary school.

After the assembly has finished, there will be time for students to sign shirts. Please be aware students cannot enter the exam hall with any sort of writing or drawings on their shirts, therefore, shirts must not be written on or decorated until after all exams for the day are finished. Students have been informed that they must bring another shirt to sign on the day.

All the best for the last weekend of revision.

One week to go then the summer off!

RIVERS SIXTH FORM

Year 12 & 13 - Mrs Wilkins

Welcome back to our wonderful Year 12 students and we hope Year 13 are enjoying their study leave. It has been fantastic seeing all of the Year 13 students back in for final exams and we wish them all the luck in the world for the final few weeks. Today we have celebrated D-Day in the Sixth Form with a minute's silence at 11am, news articles running on our projector all day and articles, reports and images for students to read.

Year 13 Leavers Celebration

To the class of 2025 - what a send-off. We gave the students a memorable Leavers' Assembly filled with laughter, a few tears, and plenty of celebration. We are very proud of how much the Year 13's have achieved and contributed to the Sixth Form community and look forward to celebrating with them at the Summer Ball.

PRIDE MONTH

For the whole of this month we will be celebrating in the Sixth Form by raising awareness of LGBTQ+, history, the meaning of Pride and why allyship matters (actively supporting and advocating for the rights, dignity and wellbeing of LGBTQ+). There will be noticeboards, tutor time discussions and assemblies. Our aim is to educate and empower while celebrating creatively. Our Sixth Form Leadership Team members George and Deputy Tegan will be leading the student voice, highlighting positive stories from our own community.

Study Leave

Year 13 students began their study leave on Monday 2nd June. Students studying vocational subjects are still required to attend Sixth Form as normal until they are signed off by their teacher and Mrs Wilkins.

Careers

If any Year 13 students would like a careers appointment or support for the final few months, please speak to Mrs Penberthy to arrange this.

RIVERS SIXTH FORM

Dress Code

As the weather is starting to warm up, can we please be mindful and follow the correct uniform policy. Please see Mrs Wilkins or Mrs Penberthy if you are unsure but following a first warning, students will be sent to the reflection room or expected to go home to change and then return to lessons.

Exams/Study

Mrs Penberthy will continue to host an optional revision session in the Sixth Form area titled "Pemboodle's Revision". She provided snacks and light background music to create a warm and inviting environment. This session will run every Wednesday 3:20 - 4:20pm.

Tutor Sessions

A reminder that you need to attend all mandatory tutor sessions

- Monday - Yr 12 Assembly
- Wednesday - Yr 12 Skills
- Friday - Yr 12 Careers (in new tutor groups)

Please make sure you are all checking your emails daily and attend your academic tutoring session on time. These 1:1 sessions are aimed at helping students develop critical thinking and independent learning skills and ultimately improve confidence. As discussed with Year 12's, we are focussing on their future careers, and Academic Tutoring can help students identify and achieve career goals and improve professional relationships.

WEX - Year 12

Work Experience deadline is fast approaching. Please speak to the Sixth Form Team if you need any support.

Housekeeping

We are noticing a few lanyards not being worn again. This is a requirement of a Sixth Form student.

We understand that this time of year is very stressful, and students may start feeling the pressure of exams. Please do speak to Mrs Penberthy or Mrs Wilkins if you have any concerns.

We have noticed a few students taking holidays during term time. Attendance is important to prevent you from falling behind. Research has proven that students with high attendance are more likely to achieve higher grades as well as build good habits for the future. Sixth Form is a community - when you're absent, you miss chances to connect, contribute, and grow with your peers.

Please follow our Instagram account for regular updates @riverssixthform

Catering

Menu

We have pleasure of enclosing a link to next weeks [menu](#). Please note that items are subject to change at short notice due to availability of produce from our suppliers. We welcome feedback on our catering offer; so please email our catering manager, Leanne Warner at lwarner@ormistonriversacademy.co.uk with any comments / suggestions.

Nut Allergies

Any form of nut or products that contain nuts should not be brought into school. We do have students with severe nut allergies, which can be life threatening, and we would appreciate your support in keeping them safe.

Parentpay

The daily limit for students to spend is set at £4.50 as a default. This means, should a student select items at break and / or lunch which take them over the limit, they will be asked to put something back. If you would like to change the limit on your child's account please email our catering manager lwarner@ormistonriversacademy.co.uk. Please note: it can take a while before the cashless system updates once you have added funds to your child's catering account. Please be mindful of this and try and get the money on there in plenty of time for break / lunch. When adding funds please ensure you add it to Dinner money and make sure it's not just sitting in your parent account.

Free School Meals

The daily limit for free school meals is £3.30. Funds will need to be added to your child's Parentpay account should you wish them to be allowed to exceed the limit.

Catering Cards

Students must tap their catering card each time they wish to make a purchase, even if they are entitled to free school meals. Please remind them that they need to bring their catering card in every day. Those students without their card will be held back until the end of the queue, allowing those through with cards first. The cards really speed up the catering service, giving students more time to socialise with friends and eat their food. If a card is lost or damaged, a new one can be purchased for £1 on ParentPay. The new card will be delivered to tutors the following morning.

If you have any questions regarding any of the above please contact either Leanne Warner, Catering Manager lwarner@ormistonriversacademy.co.uk or Angela Mahoney, Finance & Business Director amahoney@ormistonriversacademy.co.uk.

Rivers Academy Shop

Academy Shop

All students are required to have sufficient equipment to allow them to learn and achieve their full potential. It is a students' responsibility to arrive at the Academy with the appropriate equipment for lessons:

Equipment:

2 x black pens
1 x purple biro for assessment feedback
2 x pencils
1 x 30cm ruler
Coloured pencils (not felt tips)
Eraser
Pencil sharpener

Maths set (including a scientific calculator)
Student Planner (student organiser)
Reading book
Books / folders for the days lessons
Water bottle
Basic art equipment

The Academy Shop, located near the main hall, is open before school 8.30 - 8.50am and at breaktime 11.20 - 11.50am every day. The shop stocks all of the above equipment, as well as a wide selection of revision guides & workbooks, for all year groups. You can also purchase new ties from here. We can only accept cash for shop purchases on site, we are unable to use credit on a students catering card. Alternatively, you can complete an order form and return it to finance@ormistonriversacademy.co.uk.

Year 10 & 11 - You will find an item on ParentPay - KS4 Revision Guides & Equipment- just overwrite the amount with the total to be paid, we will check it against your order and let you know when the items can be collected from the shop (or you can call in and collect from main reception if you would prefer).

Year 7, 8 & 9 (KS3) - Once we have received your completed order, we will add it to your ParentPay account. When payment has been confirmed we will let you know when the items can be collected from the shop (or you can call in and collect from main reception if you would prefer).

You can access the up to date [KS3 order form](#) and the [KS4 order form](#) here; these are also available on our website www.ormistonriversacademy.co.uk. Please contact finance on 01621 787845 if you have any queries.

Absence Reporting

Students should attend school unless they are very unwell. On every day of absence please contact the school with the reason why your son/daughter is not attending. Please contact us as early as possible and at the latest by 8am on the first day of absence. This can be via the following methods:

MyEd Messaging App

ConnectED absence line: 0845 355 8104

Attendance line: 01621 787855

Change of Personal Details

It is essential that we are kept up to date with changes in your contact details. This may be a change to a mobile number, an e-mail address, a full address or even a change of who is the first priority to contact. By keeping us up to date with changes we can ensure that you are receiving information regarding your child's progress and that we can contact someone in the case of an emergency. Or preferred means of communication is by e-mail, please ensure that we have a current e-mail address for you. Please notify us of any changes by e-mail to: kcannon@ormistonriversacademy.co.uk.

Lost Property

We have several items in lost property, mainly coats, PE kits, blazers and drinking bottles. Any student can check in Student Reception for lost items. Please note that items not collected before the end of each half-term may be donated to charity or disposed of accordingly, therefore, please remind your children to check for anything they have misplaced before this time. Thank you.

Essex County Council

Helping parents to understand the changes to fines for term time holidays

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools after 19th August 2024.

Who may be fined?

Penalty Notice Fines are issued to each parent who allows their child to be absent from school.

For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.

First Offence

The first time a Penalty Notice is issued for an unauthorised term time holiday the fine amount will be:

£80 per parent, per child if paid within 21 days.

Increasing to £160 if paid between days 22-28.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence, including the U code (late after registers have closed).

For example: a 5 day holiday would meet the national threshold.

The 10-school week period can span different terms or school years.

Second Offence

(within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be:

£160 per parent (who allowed the holiday), per child, payable within 28 days.

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court.

Prosecution can result in criminal records and fines of up to £2,500.

Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.
