

Message from the Principal

It has been another busy week at Rivers with our Year 10 students sitting their mock exams and various community collaborations.

As part of the Burnham Art Trail, our Art Department has curated two wonderful exhibitions showcasing student artwork from all year groups. These can currently be seen at Burnham Museum and All Saints Church in Creeksea.

In addition, on Tuesday evening, our Performing Arts Department hosted an evening of music at the church where a talented group of Rivers students performed a diverse selection of songs for an appreciative audience of family, friends, and members of the local community. The students all gave outstanding performances and the event was thoroughly enjoyed by all.

I would like to give a special thank you to Ms Nice and Ms Turnnidge for their dedication and hard work in organising these events and strengthening our ties with the local community.

On Wednesday this week, a selection of Year 8 students attended the Royal Shakespeare Company's prestigious Regional Playmakers Festival which took place at the Mercury Theatre in Colchester where our students worked during the day to rehearse and then performed an abridged extract from King Lear on stage to family and friends.

On Thursday, our PE department hosted and organised the annual Dengie Sports Day event for our local primary schools where students came to compete in a variety of athletics events throughout the day. Thank you to all the staff members who supported to make this fantastic community event possible.

I wish you all a lovely warm and sunny weekend and look forward to seeing our students on their return on Monday.

Online Safety

As we approach the summer holidays, we would like to take this opportunity to remind parents and carers about the importance of online safety, particularly when children are using devices and accessing the internet at home.

At school, we have filters and monitoring in place to help ensure children access appropriate content during lessons. While this allows certain educational websites to be used safely in class, these safeguards do not extend to home internet use.

We therefore encourage all parents and carers to:

- Regularly check the age restrictions and suitability of websites, apps, and online platforms their child may be using, including platforms such as BandLab, X, Facebook, Instagram, Roblox, and Snapchat.
- If your child is accessing these platforms, it is important to monitor their use regularly and be aware of the features and content they may be engaging with.
- Talk to your child about responsible and safe online behaviour, particularly during the summer break when screen time may increase.

For helpful advice and guidance on how to keep children safe online, we recommend visiting the NSPCC's Keeping Children Safe Online page, which offers practical tools and resources for families and can be accessed here: [Keeping children safe online | NSPCC](#)

We are pleased to offer free access to the Safer Schools App for all parents, carers, staff, and students. This app provides up-to-date guidance, tips, and resources on keeping children safe online and a new version is now available. We strongly encourage all families to download and explore the app. Information on how this can be accessed can be found below.

Looking ahead, we will continue to deliver regular assemblies on digital safety, and the children will also receive guidance through the PSHE curriculum as part of their learning. In addition, staff are always available to offer 1:1 conversations and support to any child or family who would find this helpful.

If you have any questions or concerns about online safety, please do not hesitate to get in touch. Thank you for your continued support in helping to keep our school community safe online.

We are delighted to invite you as parents to download our **Safer Schools App** provided by our school insurance provider Zurich Municipal for free.

Our Students Shine at the Burnham Art Trail

Nestled in the serene setting of All Saints Church in Creeksea, this exhibition features a stunning collection of artwork from students across KS3 to KS5. The pieces on display reflect a wide variety of themes, techniques, and media, offering a glimpse into the diverse creative journeys of our young artists. From mixed media portraits inspired by the work of Yi Chen to vivid oil pastel landscapes influenced by the Fauvists, the exhibition is a testament to the imagination and skill nurtured within our school's art department.

Our second exhibition, hosted at Burnham Museum, explores the evocative theme of Expressionism and Flowers. Students from Years 7, 8 and 9 were encouraged to delve into the emotional power of colour, form, and symbolism, drawing inspiration from the Expressionist movement and the natural beauty of floral motifs. The result is a powerful and emotive collection of artworks that speak to the inner worlds of our students, capturing the joy of colour and flowers.

Both exhibitions have been met with enthusiastic praise from visitors, with many commenting on the maturity, originality, and emotional depth of the work on display. We are incredibly proud of all the students who contributed and grateful to the Burnham Art Trail organizers for providing such a wonderful platform for young artists to shine.

We encourage everyone in our school community to visit the exhibitions and support the incredible talent of our students. Let's continue to celebrate and nurture the arts—because creativity matters.

Year 7 - Mr Moon

What an eventful week this has been with lots of things happening. There was another cricket fixture against Great Baddow, which was a very close game with a man of the match performance from Olly with 28 runs. Next week we have a rounders tournament on Wednesday which is very exciting and I know that everyone is looking forward to it.

Miss Byford's Students of the week**Student Shoutouts:**

Attendance for Year 7 this week is 93.53%. Keep up the good work and continue making it into school so that we can achieve our goal of being the best year group for this academic year.

Top merit earners for this week are:

- Savannah and Evie (7A2) with 130 merits
- Grace (7A2) with 120 merits
- Lexi and Zac (7A2) with 110 merits

A massive well-done to everyone in 7A2 who are clearly showing their ambition and excellence by having the top 11 merit earners this week. I know Mrs Cope is very happy with you all and rightly so.

Helpful Reminders

Contacting school: Please contact tutors in the first instance. If you do not get a response from the tutor, please then contact me so that I can then support you. This helps to divide the load and means your query can be dealt with more efficiently. Please remember to copy Miss Byford your correspondence too, so that we are all kept in the loop.

Uniform: Please make sure you're children are wearing the correct uniform each day. Check the school guidelines on the [Ormiston Rivers](https://www.ormistonriversacademy.co.uk) website if you're unsure about the details.

Mobile Phones: Phones should be off and out of sight during school hours. If you your child needs to contact you, they should be using student reception. Please also remember to look at the schools new [mobile phone policy](#) to make sure you are up to date on the impending changes.

I hope you all have a restful weekend and look forward to seeing you all on next week.

Year 8 - Ms Scott

Dear Parents and Carers,

The summer heat has certainly made its presence known this week! As a result, blazers are now optional for Year 8 students for the remainder of the term. Please ensure your child brings a water bottle and plenty of refreshments each day. Classrooms can get warm, and staying hydrated is key to helping students stay focused and engaged in their learning.

We have also had a few incidents on the field involving rough play and 'play fighting', which have unfortunately escalated into more serious situations. We kindly ask you to have a conversation with your child about understanding their own strength and the importance of playing appropriately to avoid injury. Ensuring a safe and respectful environment is a priority for us all.

On a more celebratory note, a huge congratulations to the 20 Year 8 students who took part in the Royal Shakespeare Company's production of King Lear in Colchester this week. It was a real pleasure to see their passion and professionalism on stage – they represented our school brilliantly, and we couldn't be prouder!

A special shoutout to Ms Corbett's Heroes of the Week – Ava B and Noah P – recognised for their kindness, constant smiles, and excellent professionalism during line-ups.

Finally, well done to our Top 10 students for positive behaviour points this week – your effort and attitude make a big difference. Keep it up!

Thank you for your continued support.

Year 9 – Mr Marklew

Firstly, I wanted to thank the 30 Year 9 students who helped me run the Y6 to 7 transition day on Monday. The feedback from the parents and students was fantastic - super helpful, supportive and kind. They really made the day go well and have done ORA proud.

Secondly, thank you to those students who met with the OAT Trust for student voice feedback. They showed maturity and spoke with confidence when talking to our Regional Director, Mr Dolding.

Finally, I wish to introduce Mr Field as the Head of Year 9 moving forward. Mr Field led the current Year 11 cohort through their exams successfully and he is aware that the year group have progressed really well this term and are in a positive position as they prepare to start their GCSEs shortly.

Year 9 - Mr Field

From Monday 23rd June, I became the new Head of Year 9.

Let me begin by saying this: I believe in potential – and not just the kind that shows up in test scores or trophies, but the kind that is inside every one of you. It is about unlocking potential – academically, socially and emotionally.

As Head of Year, my job is to support you, to challenge you, and to help guide you through both the high points and the tough moments. That means celebrating your successes but also being there when you stumble because progress isn't always easy.

Over the next two years we are going to work hard and it will be a chapter filled with opportunities to grow, to challenge yourself, to learn from mistakes and to discover just how capable you really are.

As your Head of Year, I want you to know three things about me:

First, I care. I care about who you are, how you're doing, and where you're headed. My door will always be open for support or advice.

Second, I believe in high standards - but not just in grades. I believe in kindness, respect, effort, and integrity. Every one of you is capable of excellence - not just academically, but as a person.

And finally, I believe we're in this together. This year group is a team, and teams support each other, lift each other up, and celebrate each other's success.

There may be challenges ahead as there always are, but I promise you this: if we meet them with resilience, respect, and ambition, these two years can be the best time at school.

Contact: sfield@ormistonriversacademy.co.uk

Year 10 – Ms Taylor

A massive congratulations to Year 10 who have conducted themselves admirably in this hot - and very intense - exam period. They will get a very real snapshot of what results might look like if they continue as they are. For some, they will have reaped the rewards of their labours and will just need to maintain their work-rate. For others, it will be a timely reminder that if they do not take their studies more seriously, it will be their grades that suffer. Students will get what they deserve, however, Invigilators and the exams team have been incredibly impressed with their conduct, saying that they have been polite and taken guidance well.

Detention sessions were rescheduled this week due to the intensity of the exams. If any have been escalated, please ask the students to see me or Ms Makwana who will support with getting the appropriate detention reallocated.

Congratulations to the top merit earners this week

Also a massive congratulations to the students who performed at the Burnham Art Trail on 24 June.

Wishing you a restful weekend now the exams are over.

RIVERS SIXTH FORM

Year 12 & 13 - Mrs Wilkins

Our Sixth Form looks wonderful, full of colour as we are celebrating PRIDE Month in the Sixth Form by raising awareness of LGBTQ+, history, the meaning of Pride and why allyship matters (actively supporting and advocating for the rights, dignity and wellbeing of LGBTQ+). Due to PPE's we have postponed our Friday Feels to next Friday. Please all get involved by making a Pride Creation. Our aim is to educate and empower while celebrating creatively.

Year 13

We can't wait to celebrate with you tonight at the Summer Ball - 6:45-7pm arrival at the Royal Corinthian.

PPE's

Exams began yesterday and will continue until the 2nd July. Lessons will commence as normal next week and 100% attendance is expected from all. Please do speak to your class teachers or the Sixth Form Team if you need any support and use your Revision Guide booklets that were presented to you in assembly.

Sixth Form in the Community

On Tuesday this week our Sixth Form Leadership Team represented Sixth Form student voice in the OAT Review. We are very proud of how confidently they all spoke and how passionate they are for supporting our Sixth Form vision and the wider community.

Throwback Thursday

This week we introduced you to former student Dani, who received a BA Hons Degree in Drama and Theatre with an Approved Year Abroad from the University of Kent and Utrecht University. While at Rivers Sixth Form she studied Drama and Theatre Studies, English Literature and Performing Arts. To see more, following our Instagram account: @riverssixthform

Dress Code

We are working with you all to look at tightening up the uniform. A new dress code with minor changes will be launched after the PPE's to begin from September 2025. As the weather is starting to warm up, can we please be mindful and follow the correct uniform policy. Please see Mrs Wilkins or Mrs Penberthy if you are unsure but following a first warning, students will be sent to the reflection room or expected to go home to change and then return to lessons.

RIVERS SIXTH FORM

Careers

If any Year 12 or 13 students would like a careers appointment or support for the final few months, please speak to Mrs Penberthy to arrange this.

Exams/Study

Mrs Penberthy will continue to host an optional revision session in the Sixth Form area titled "Pemboodle's Revision". She provided snacks and light background music to create a warm and inviting environment. This session will run every Wednesday 3:20 - 4:20pm.

Tutor Sessions

A reminder that you need to attend all mandatory tutor sessions

Monday - Yr 12 Assembly

Wednesday - Yr 12 Skills

Friday - Yr 12 Careers

Please make sure you are all checking your emails daily and attend your academic tutoring session on time. These 1:1 sessions are aimed at helping students develop critical thinking and independent learning skills and ultimately improve confidence. As discussed with Year 12's, we are focussing on their future careers, and Academic Tutoring can help students identify and achieve career goals and improve professional relationships.

WEX - Year 12

Work Experience is week commencing 7th July - Please speak to the Sixth Form Team if you need any support.

Housekeeping

We are noticing a few lanyards not being worn again. This is a requirement of a Sixth Form student.

We understand that this time of year is very stressful, and students may start feeling the pressure of exams. Please do speak to Mrs Penberthy or Mrs Wilkins if you have any concerns.

We have noticed a few students taking holidays during term time. Attendance is important to prevent you from falling behind. Research has proven that students with high attendance are more likely to achieve higher grades as well as build good habit for the future. Sixth Form is a community - when you're absent, you miss chances to connect, contribute, and grow with your peers.

Please follow our Instagram account for regular updates @riverssixthform

Catering

Menu

We have pleasure of enclosing a link to next weeks [menu](#). Please note that items are subject to change at short notice due to availability of produce from our suppliers. We welcome feedback on our catering offer; so please email our catering manager, Leanne Warner at lwarner@ormistonriversacademy.co.uk with any comments / suggestions.

Nut Allergies

Any form of nut or products that contain nuts should not be brought into school. We do have students with severe nut allergies, which can be life threatening, and we would appreciate your support in keeping them safe.

Parentpay

The daily limit for students to spend is set at £4.50 as a default. This means, should a student select items at break and / or lunch which take them over the limit, they will be asked to put something back. If you would like to change the limit on your child's account please email our catering manager lwarner@ormistonriversacademy.co.uk. Please note: it can take a while before the cashless system updates once you have added funds to your child's catering account. Please be mindful of this and try and get the money on there in plenty of time for break / lunch. When adding funds please ensure you add it to Dinner money and make sure it's not just sitting in your parent account.

Free School Meals

The daily limit for free school meals is £3.30. Funds will need to be added to your child's Parentpay account should you wish them to be allowed to exceed the limit.

Catering Cards

Students must tap their catering card each time they wish to make a purchase, even if they are entitled to free school meals. Please remind them that they need to bring their catering card in every day. Those students without their card will be held back until the end of the queue, allowing those through with cards first. The cards really speed up the catering service, giving students more time to socialise with friends and eat their food. If a card is lost or damaged, a new one can be purchased for £1 on ParentPay. The new card will be delivered to tutors the following morning.

If you have any questions regarding any of the above please contact either Leanne Warner, Catering Manager lwarner@ormistonriversacademy.co.uk or Angela Mahoney, Finance & Business Director amahoney@ormistonriversacademy.co.uk.

Essex County Council

Helping parents to understand the changes to fines for term time holidays

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools after 19th August 2024.

Who may be fined?

Penalty Notice Fines are issued to each parent who allows their child to be absent from school.

For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.

First Offence

The first time a Penalty Notice is issued for an unauthorised term time holiday the fine amount will be:

£80 per parent, per child if paid within 21 days.

Increasing to £160 if paid between days 22-28.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence, including the U code (late after registers have closed).

For example: a 5 day holiday would meet the national threshold.

The 10-school week period can span different terms or school years.

Second Offence

(within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be:

£160 per parent (who allowed the holiday), per child, payable within 28 days.

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court.

Prosecution can result in criminal records and fines of up to £2,500.

Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.
