Re: PE and Dance – End of day changing

Dear Parent / Guardian,

I am writing to provide you with some details that will impact your child if they have core PE or dance on the last lesson of the day.

As of now, we will be allowing students to wear their PE kits home instead of changing back into full-school uniform. For dance, students will need to bring jogging bottoms which will go over the top of their dance uniform.

We believe this change will provide us longer for lessons which enables our students to be active for longer and enjoy the benefits of exercise, even if it's only for five extra minutes.

If students are keen to change, they will still have a few minutes to change quickly while others collect their bags from the changing rooms.

This change will be reviewed in the coming weeks, but we hope to see a positive impact.

Many thanks,

Mr Clay
Head of PE

Mrs Turnnidge
Head of Performing Arts
