

**Message from the Principal**

This morning in assembly, our Year 11 students received their brand-new CGP Revision Guides and Planners. These fantastic resources are designed to support effective revision planning, strengthen study skills, and encourage independent learning as students prepare for their upcoming mock exams and, ultimately, their summer assessments. We are incredibly proud of the hard work already taking place, and this is another step toward ensuring every Year 11 student feels confident, prepared, and ready to succeed.

Earlier this week, we experienced an unexpected power cut that resulted in the loss of telephone and internet access. I was truly impressed by the resilience shown by both staff and students during this time. Everyone came together to ensure learning continued without interruption proving once again that paper and pen still hold great value! Thanks to the dedication of our IT team, we are now fully operational.

Rehearsals are in full swing for this year's school musical, 'Chicago', and excitement is building! Performances will take place on Monday 15th, Tuesday 16th, and Wednesday 17th December, with doors opening at 6:30 pm and the show starting at 7:00 pm. Tickets are available from the main reception at £7.50 for adults and £5 for children. They are selling fast, so please secure yours soon to support our fantastic cast and crew.

Looking ahead to the festive season, we're delighted to announce that our annual Student Christmas Lunch will take place during the final week of term. Students can enjoy a traditional roast turkey dinner with pudding, a drink, and a fun festive accessory. A tasty vegetarian option will also be available, and both meals are fully gluten- and nut-free. Meals must be pre-booked via ParentPay by Monday, 1st December. Students entitled to free school meals can book by emailing [finance@ormistonriversacademy.co.uk](mailto:finance@ormistonriversacademy.co.uk). Don't miss out on this wonderful celebration!

I also wrote to you earlier this week regarding the potential for strike action in December following the recent NEU ballot. I want to reassure you of our continued commitment to working positively and constructively with the NEU and our staff to reach a swift resolution. We had a productive conversation with union representatives yesterday, and I am hopeful we can provide a further update on Tuesday. If you have any questions or concerns, please do not hesitate to reach out. Our priority remains supporting our colleagues and minimising any disruption to learning for pupils.

Following our recent Parent Governor election, I am delighted to announce that, Miss Lisa Fawcett and Mrs Nina Noonan have been elected as our two new Parent Governors. Congratulations to them both and thank you to all parents and carers who took the time to vote. Your engagement is invaluable to our school community.

Finally, please remember that we have a Staff INSET Day next Friday, 5th December, so the academy will be closed to students on that day.

Thank you, as always, for your continued support and for being such an important part of our academy community.

Warm regards,  
Dijana Piralic  
Principal (Interim)

# Teaching Behaviours

Thank you for your continued support in maintaining high expectations across our school. We are striving to set routines and push standards and I have spoken about corridor and classroom behaviour. We would like to remind you of the following key uniform standards that apply to all students:

**Blazers:** Must be worn at all times inside the school building.

**Ties:** Should be worn correctly and visible.

**Skirts:** Worn at an appropriate length (around knee level) and not rolled up.

**Shirts:** Tucked in with the top button fastened.

**Footwear:** Black, leather-look school shoes only – no mesh, canvas, trainers, or coloured shoes.

Form tutors will check uniform daily, and any issues should be resolved during form time. Consistent adherence to these standards helps maintain a sense of pride and equality within our school community.

If you have any questions or need support with uniform, please contact the form tutor to support.

Thank you for your cooperation.

Assistant Principal

### Library News

The Library is open for students from 8:30am, at break and lunchtime every day. Please remember that it is a quiet and calm space for reading books, research and homework. Wordsearches, Sudoku and colouring sheets are also available. We have laptops and a printer for students to check Go4Schools and complete their homework. Library books can be borrowed for 2 weeks and we ask that books are returned on time in good condition so others can also read them.

### Books of the Month

December will focus on fantasy adventures.

Read one of these books, complete the activity worksheet and review - the best entries will receive a Reader of the Month badge:

- **The Boy Lost in the Maze by Joseph Coelho** - (suitable for Year 9+) - if you like mythology, this book could be for you - two boys, separated by centuries, parted by myth, divided by reality.
- **The Fire Within by Chris d'Lacey** - when David arrives at Wayward Crescent, he has no idea what happens there until he is given a clay dragon called Gadzooks and begins to unlock the mystery.

### Lexonik Advance

Year 7 and 8 students attending Lexonik Advance have now completed 2 or 3 of their weekly sessions and are settling in well in their team groups. The programme runs for 6 weeks, and we are pleased to see that most students are achieving good results so far. We also have a new group of Year 10s starting this week.

Students start their sessions with 'syllables at speed' with 72 cards for the group to recognise and pronounce within one minute. Our leaderboard shows the highest score so far this week as the Thunderbolts Year 7 group with 69 cards!

As the programme continues, new vocabulary is introduced each session to engage students with different topics and teach them the skills to decode subject specific words relevant to all lessons.

If your child is attending Lexonik Advance, please continue to encourage them to participate each week.

### Sixth Form Reading Buddies

Our 6th Form volunteers Molly, Charlotte, William, Keira, Finn and Emily, have been working with Year 7 students to increase confidence in reading and develop comprehension skills. This is part of our wider initiative to support Literacy across the Academy and students are reading PhonicBooks designed with a reader-friendly font and layout suitable for KS3 students. This takes place during Form Tutor time on Tuesday mornings - well done to everyone that took part and we look forward to continuing this next week.

Your Lexonik Advance sessions will take place once a week, for six weeks. There will be four students in your group, working with a member of staff. It's all about human interaction, not being sat in front of a screen.

# Exams News

Summer 2025 exam certificates will be available for collection from Main Reception during school hours from Monday. Former students may nominate an adult to collect their certificates on their behalf by providing them with signed permission to bring with them. Please allow a few minutes as the certificates will need to be unlocked from our secure store.

We do still have some uncollected certificates from Summer 2024, we would very much like to be able to pass these to their owners before we break up for Christmas as we are unable to store them indefinitely.

### Poster Competition Winner

A massive congratulations to Penny (10A2) for being the winner of our House Poster Competition for our school musical 'Chicago.'

We think it is absolutely fantastic, and you have won

serious house points for Amazon. The poster will also be used as the front cover for our show programme.

Thank you to all students that submitted a poster, there were some great entries!

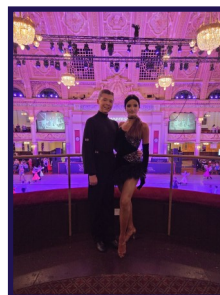

Don't forget to buy tickets - they are selling fast!

### National Dance Competition

We are extremely proud of Sophia (9D2) and Ethan (10A2) who got through to the British National and Latin Championships. The BBC were also filming it as part of documentary for the 50th Anniversary. They danced extremely well competing against the best couples in the country. Ethan and Sophia made it to the quarter finals and were praised by both teachers and coaches for the standard of their performance.

We are lucky to have such talent in the school, and we can't wait to see what they can achieve in the upcoming year. Well done to both of them.

### Year 9 Netball

Our Year 9 girls played a fantastic home match against Plume Academy, showing incredible effort and enthusiasm throughout. The game was closely contested, with Plume just edging ahead in the final quarter to take the win, 18-10.

Every player demonstrated outstanding sportsmanship and a positive attitude, making us proud of their performance. Plume selected Abbey S as their Player of the Match, while our own Katelyn C earned the well-deserved title for her excellent play.

**Well done to all the girls – a brilliant team effort!**

### Year 7 and 8 Netball

On Tuesday evening we travelled away to The William De Ferrers School, with our Year 7 and Year 8 Netball Teams. Despite the very cold evening, the girls played some great netball and showed great resilience!!

Well done to our players of the match!!

#### Year 7,8, 9 and 10 - Take Your Child to Work Day - Friday 5th December

To widen the understanding and appreciation of the working world, we are delighted to start running the "Take Your Child to Work Day". Your child is invited to participate, and we hope that every student in Years 7-10 will be able to organise a suitable day's experience with a parent, relative, family friend or someone they know well. Booklets will be handed out in tutor time before 5th December.

Your help is greatly appreciated in helping to organise this for them. We hope a day can be arranged on either on Friday 5th December 2025 and/or Monday 23rd February 2026. These are all INSET days, so no lessons will be affected. . Parents should use their own judgement about where their child goes, and I would like to stress that the focus for students will be observation and fact-finding. The day is not intended to be a hands-on work experience placement and, therefore, for insurance purposes students should be treated as visitors and not workers. Contact [fcompton@ormistonriversacademy.co.uk](mailto:fcompton@ormistonriversacademy.co.uk) for further information.

The aims of the day are for students to:

- Gain an awareness of a workplace organisation
- Find out about the jobs that are available in different organisations
- Develop an awareness of the skills and qualifications that are required in the workplace
- Consider the need to develop an individual learning plan towards employability.

Issue # 11 - 28<sup>th</sup> November 2025

# Movember

November is nearly over, and so are the moustaches! Staff and students across campus have been growing them proudly to spark conversations and raise awareness for men's mental health.

The facial hair may disappear, but the message remains: keep talking, keep supporting, and keep looking out for one another.

**MOVEMBER.COM**

**Community - Ambition - Resilience - Respect - Excellence**

**Year 7 - Mr Adair**

As we move deeper into the term, it has been a joy to watch our Year 7 students continue to grow in confidence, curiosity, and community spirit. Their energy fills the school each day, and this week has been a wonderful reminder of just how much they are already achieving.

One of the standout moments has come from our musical theatre lessons in the Music department. Students have been exploring the world of stage performance through singing, movement, and character work, and their enthusiasm has been infectious. This week, they took on Consider Yourself from Oliver! — a lively, spirited number that encouraged teamwork, vocal projection, and expressive performance. It has been inspiring to see students step outside their comfort zones, support one another, and embrace the joy of musical theatre. Their confidence is growing lesson by lesson, and we are incredibly proud of the progress they are making.

Meanwhile, over on the sports field, our Year 7 boys have shown remarkable dedication during football training. Despite the near-freezing temperatures, they have continued to turn up with determination, resilience, and a positive attitude. Their commitment to improving their skills — even when the weather is far from inviting — is truly commendable. The teamwork and encouragement they show one another reflect the values we aim to nurture across the school, and we look forward to seeing how their efforts translate into future matches and training sessions.

As the colder weather settles in, we would like to remind all parents and carers of the importance of ensuring students are appropriately dressed for the journey to and from school. A warm coat, hat, and gloves can make a significant difference to their comfort and wellbeing, especially during early mornings and late afternoons. Many students are spending time outdoors for break, lunch, and extracurricular activities, so being properly wrapped up will help them stay healthy and focused throughout the school day.

Thank you, as always, for your continued support. It is a privilege to work with such enthusiastic young people, and we look forward to sharing more of their achievements as the term progresses. If you have any questions or would like to discuss anything further, please do not hesitate to get in touch with the school office.

**Year 8 - Mr Moon**

This week, our Year 8 assembly focused on building a positive culture in school. We discussed how kindness, respect, and teamwork create an environment where everyone feels valued and supported. Students were encouraged to reflect on how their actions—big or small—can make a real difference in shaping our school community.

A special congratulations goes to Mrs Byford's Students of the Week:

Both have shown outstanding effort and a positive attitude, setting a fantastic example for their peers.

We also want to celebrate our Top Merit Earners this week:

**Frankie (8M2) – 38 merits**

**Envy – 36 merits**

**Tristen – 34 merits**

Well done to all three for their hard work and commitment—keep it up!

Finally, a big shout-out to the Year 8 Girls' Netball Team, who demonstrated incredible determination and team spirit in their recent match. Your enthusiasm and effort were brilliant, and you represented Year 8 with pride!

**Quote of the Week**

**"Positive peer pressure is when friends inspire you to be your best self because greatness grows in good company."**

**Year 10 - Mr Field**

During my learning walks this week it has again been a pleasure to see students working hard during their lessons.

- It was great to see Charlie, Logan and Jamie preparing for their Computer Studies assessment.
- Ms Venter showed me the work of Ryder in Engineering and went on to say that she has never seen such a good tap wrench in a Year 10 class.
- Well done to Isla and Rose in physics for explaining the differences in wavelength.

Earlier in the week I watched the Year 10 rugby club playing against Plume. A hard-fought battle was had where all our players played superbly well. The next game is against Anglo European in a few weeks.

The rehearsals for Chicago are going really well and as I have been able to watch some of Year 10s perform, I am sure the play will be a great success. Please purchase tickets for what I am sure will be a wonderful evening in December.

Top positive point earners this week are:

**Tegan, Alexia, Jenson H, George P, Leo, Jake W, Lily B, Pippa, Lily S Hugh, Maisie, Daniel and Harry S.**

Well done to you all and keep up the good work.

**Year 11 – Ms Taylor**

This week in assembly, students were given a revision guide to support their efforts.

Students are starting to get their grades back from their recent mock exams, and they are in discussions with teachers on how to improve. I am impressed with so many of the Year 11 students for the level of maturity they are showing and the dedication they are showing to improve their grades.

College open event details can be found on the next page, so have a look and take the opportunity to visit as many as possible. This may help encourage your child to reach further and want to do better, as they'll have a plan in mind that they are striving towards.

Prom discussions continue and some students are on report, some at their request to maximise their chance of attending. Keep up the good work and hopefully we'll have a fantastic prom with as many students as possible in attendance!

**Our top achievers in terms of merits this week are:**

Holly D (11Z1), Lily B (11A2), Sienna B (11D1), Madison P (11M1), Maria W (11M1), Millie D (11A2), Bobby B (11D1), Sam D (11Z2), Tiffany T (11Z1), Joshua F (11Z2), Callum G (11A1), Chloe G (11A1), Sienna H (11A1), Ava H (11D1), Kyla-Mai (11D1) and Christie W (11M1).

# RIVERS SIXTH FORM

## **Year 12 & 13 - Mrs Wilkins**

This week has been a busy and productive one at Rivers Sixth Form, marked by the start of the PPEs. We are incredibly proud of the mature and focused way our students have approached these assessments, which are designed to help consolidate knowledge and support continued development. Alongside the exams, there have been many other wonderful things happening across our community, including the launch of our Read Buddies Programme and another excellent home game for our Sport Academy. A reminder that students have been invited to bring in a Christmas decoration to add to our Sixth Form space. Anything from handmade ornaments to treasured decorations from home, each item will add a personal touch to our festive display.

### **Student Shout Out**

Year 12 - Poppy - endless hours spent studying and always smiling

Year 13 - Freya (SF3) - outstanding worth ethic and commitment to her studies

### **Sixth Form in the Community**

#### **Reading Buddies**

Our 6th Form volunteers Molly, Charlotte, William, Keira, Finn and Emily, have been working with Year 7 students to increase confidence in reading and develop comprehension skills. This is part of our wider initiative to support Literacy across the Academy and students are reading Phonic Books designed with a reader-friendly font and layout suitable for KS3 students. This takes place during Form Tutor time on Tuesday mornings - well done to everyone that took part and we look forward to continuing this next week.

#### **Year 12 Supporting the CHESS Charity**

Year 12 are proudly supporting the CHESS Charity to help vulnerable people in our community who are facing homelessness. Students are raising money and collecting donations such as hygiene products, food supplies and warm clothing to support individuals throughout the winter and Christmas season. Their generosity and commitment are making a real difference.

## **Motivation for the Half Term Ahead**

"You showed up, you worked hard, and you kept going. That's the kind of effort that shapes success." - This focuses on what you can control, your attitude, persistence, and work ethic—rather than exam results. This helps build a growth mindset.

## **Sixth Form Dress Code**

We would like to take a moment to recognise our students who have gone above and beyond in following the new Sixth Form dress code – we are very proud of how smart and professional they all look. Thank you for setting such a positive example.

Please continue to follow the dress code carefully, and if you are ever unsure about what is appropriate, don't hesitate to check with the Sixth Form team.

**Please note:** Following a first warning, students who do not meet the dress code expectations will be asked to return home to change before rejoining lessons. Thank you for your cooperation and continued high standards.

## **Exams/Study**

Mrs Penberthy will continue to host an optional revision session in the Sixth Form area titled "Pemboodle's Revision". She provides snacks and light background music to create a warm and inviting environment. This session will run every Wednesday 3:20 - 4:20pm.

# Catering

### Menu

We have pleasure of enclosing a link to next weeks [menu](#). Please note that items are subject to change at short notice due to availability of produce from our suppliers. We welcome feedback on our catering offer; so please email our catering manager, Leanne Warner at [lwarner@ormistonriversacademy.co.uk](mailto:lwarner@ormistonriversacademy.co.uk) with any comments / suggestions.

### Nut Allergies

Any form of nut or products that contain nuts should not be brought into school. We do have students with severe nut allergies, which can be life threatening, and we would appreciate your support in keeping them safe.

### Parentpay

The daily limit for students to spend is set at £4.50 as a default. This means, should a student select items at break and / or lunch which take them over the limit, they will be asked to put something back. If you would like to change the limit on your child's account please email our catering manager [lwarner@ormistonriversacademy.co.uk](mailto:lwarner@ormistonriversacademy.co.uk). Please note: it can take a while before the cashless system updates once you have added funds to your child's catering account. Please be mindful of this and try and get the money on there in plenty of time for break / lunch. When adding funds please ensure you add it to Dinner money and make sure it's not just sitting in your parent account.

### Free School Meals

The daily limit for free school meals is £3.30. Funds will need to be added to your child's Parentpay account should you wish them to be allowed to exceed the limit.

### Catering Cards

Students must tap their catering card each time they wish to make a purchase, even if they are entitled to free school meals. Please remind them that they need to bring their catering card in every day. Those students without their card will be held back until the end of the queue, allowing those through with cards first. The cards really speed up the catering service, giving students more time to socialise with friends and eat their food. If a card is lost or damaged, a new one can be purchased for £1 on ParentPay. The new card will be delivered to tutors the following morning.

If you have any questions regarding any of the above please contact either Leanne Warner, Catering Manager [lwarner@ormistonriversacademy.co.uk](mailto:lwarner@ormistonriversacademy.co.uk) or Angela Mahoney, Finance & Business Director [amahoney@ormistonriversacademy.co.uk](mailto:amahoney@ormistonriversacademy.co.uk).

**Essex County Council**

## **Helping parents to understand the changes to fines for term time holidays**

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools after 19<sup>th</sup> August 2024.

### **Who may be fined?**

Penalty Notice Fines are issued to each parent who allows their child to be absent from school.

For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.

### **First Offence**

The first time a Penalty Notice is issued for an unauthorised term time holiday the fine amount will be:

£80 per parent, per child if paid within 21 days.

Increasing to £160 if paid between days 22-28.

### **National Threshold**

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence, including the U code (late after registers have closed).

For example: a 5 day holiday would meet the national threshold.

The 10-school week period can span different terms or school years.

### **Second Offence**

**(within 3 years)**

The Second time a Penalty Notice is issued for unauthorised absence the amount will be:

£160 per parent (who allowed the holiday), per child, payable within 28 days.

### **Third Offence and Any Further Offences (within 3 years)**

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court.

Prosecution can result in criminal records and fines of up to £2,500.

Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.
