

Message from the Principal

Dear Parents and Carers,

It was a real pleasure welcoming our students back on Tuesday as we began the second half of the Spring term following a productive staff INSET day. Our Year 11 students have now started their mock GCSE examinations, and I am incredibly proud of the mature, focused attitude they have shown throughout these important assessments.

I am also delighted to share that our Junior Leadership Team has now been appointed:

Year 7 – Henry H, Charlie W, Kimi R, Oscar H

Year 8 – Bella Marie B, Rowan W, Danny M, Zhani G, Noah L

Year 9 – Christopher E, Dean J, James J, Paige S

Year 10 – Penny S, Danica C, Molly B, Lola T

These students will work closely with our Sixth Form Senior Leadership Team to represent their year groups. Together, they will contribute ideas, support projects, and help shape positive improvements across the school community. We are very proud of them and look forward to seeing their leadership grow.

As part of our continued commitment to celebrating positive behaviour and excellent attitudes to learning aligned with our CARRE values, we were thrilled to open our Merit Reward Shop (now affectionately known as *Mr Marklew's Merit Marketplace*) this week. Students can now exchange their well-earned merits for a variety of exciting prizes, and it has been wonderful to see their enthusiasm as their efforts turn into meaningful rewards.

I am also pleased to update you that the first phase of our transition to Arbor, our new streamlined school management system, is progressing well. Please be aware that the data connection between Arbor and Go4Schools may be occasionally inconsistent while configuration and testing continue. As a result, you may notice minor delays or discrepancies during this early period. We truly appreciate your patience and understanding as we work to ensure a smooth transition.

Thank you, as always, for your ongoing support. It means a great deal to us and plays an essential role in helping our school community continue to thrive.

Warm regards,

Dijana Piralic

Principal (Interim)

Royal Navy Skills and Careers Day Thursday 26th February

This week some of our Year 7-10 students took part in high-energy problem-solving and leadership challenges that tested their communication, resilience and teamwork, just like life in the Royal Navy.

A huge thank you to the Royal Navy team for delivering such an engaging and motivating day. Who knows... we may have some future officers in the making!

The session finished with a careers talk showcasing what the Royal Navy does and the opportunities available. Scan the QR code for further details on applications and career pathways.

Ski Trip 2026

The school ski trip was an unforgettable experience that brought out the very best in everyone. From the first early morning departure to the final run down the slopes, students showed incredible resilience as they faced icy winds, challenging terrain, and more than a few tumbles in the snow. With determination, they pushed themselves beyond their comfort zones—whether mastering their first turn on the beginner hill or confidently tackling steeper runs by the end of the week. Laughter echoed across the mountains, friendships grew stronger on the chairlifts, and every shared success, snowy fall, and warm cup of hot chocolate added to the memories created. It was more than just a trip; it was a week of growth, perseverance, and moments that students will carry with them for years to come.

Throughout the trip, students got to nominate each other for our 'Dognut of the day' and 'Moment of the day', this was a great way to keep spirits high and encourage students who had shown great determination throughout the day. During the trip we had 3 après activities, these included an ice cream night, a cinema night all to ourselves and a sport hall evening. This allowed students to look around the area of Sestriere, as well as the snowy mountains.

We had a great week with everyone and made memories to last a lifetime.

A huge thank you to the staff members who accompanied myself and the students on the trip, Miss Makwana, Dr Rumary, Mr Moon, Mr Owen!!

Year 7 - Mr Adair

Dear Parents and Carers,

Thank you for a fantastic start to the half term. Year 7 have returned with brilliant energy, positivity, and a real commitment to their learning, which has been wonderful to see.

This week we were delighted to welcome the Royal Navy into school for an exciting careers event. Our visitors were incredibly impressed with the maturity, curiosity, and teamwork shown by the Year 7 students who took part. A huge well done to everyone involved—you represented the year group beautifully.

We are also pleased to share that the Merit Swap Shop is now officially open. Every Friday, Year 7 students can exchange their hard earned merits for a range of rewards. It has been lovely to see so many pupils taking pride in their achievements and making thoughtful choices about how to use their merits.

Congratulations as well to those students who have secured places in the upcoming Gym and Dance Show. Your dedication in rehearsals has not gone unnoticed, and we are very proud of you.

As of Thursday after school, Year 7 have collectively achieved over 51,000 merits this academic year—an incredible milestone. This reflects the hard work, kindness, and enthusiasm shown across the year group. Well done to every single student for contributing to such an impressive total.

A gentle reminder that the first point of contact for both parents and students should always be the form tutor, who knows your child best and can support with day to day matters. For any serious incidents or concerns, please email Ms Makwana and myself directly so we can respond promptly and appropriately.

Thank you for your continued support. We look forward to another positive and productive half term with our wonderful Year 7s.

Year 8 - Mr Moon

It has been a really positive start to the new half term for Year 8, with students returning settled, focused, and ready to push on with their learning. We began the week with an inspiring assembly on resilience, celebrating the determination shown by Team GB in the Winter Olympics and reflecting on how those same qualities can help us overcome challenges in school and beyond. It was a motivating message to set the tone for the weeks ahead.

A real highlight this week was the launch of our Merit Swap Shop, which proved to be a fantastic success. Students engaged brilliantly, making thoughtful choices and showing real pride in the merits they have earned so far this year. It was wonderful to see such enthusiasm and reward for positive behaviour.

In sports, the Year 8 boys took part in a hard fought football fixture, finishing with a well deserved 0–0 draw. Both sides showed great teamwork, resilience, and sportsmanship throughout a very close and competitive game—well done to all involved.

A huge congratulations goes to our top merit earners for the week:

1st place – Danny (8Z1) with 26 merits

2nd place – Tristen (8M1) with 25 merits

3rd place – Bella (8D1) with 24 merits

Fantastic work from all three—your effort and attitude are a credit to the year group.

Overall, it has been an excellent first week back, and Year 8 have set a strong standard for the half term ahead.

Year 9 – Mr Chapman

As we begin this half term, we have officially reached the halfway point of the school year. It's been a really positive return for Year 9, with an impressively high number of merits already awarded.

This week also saw the launch of our Merit Swap Shop. On Wednesday, students had the opportunity to redeem their hard earned merits for a range of rewards. I hope this continues to motivate everyone to keep putting in their best effort each day.

On Tuesday, a group of Year 9 students visited the theatre in Stratford to watch the production "Here There Are Blueberries." Aside from a slight delay on the journey home, it was a thoroughly enjoyable and enriching experience, and staff have spoken highly of the students' engagement throughout.

Year 10 - Mr Field

It has been great to return to school after a restful half-term break. Pupils have come back with real focus and determination, and it has been wonderful to see them engaging so positively in their lessons.

This week, many pupils in English were excited to share their creative writing pieces, each inspired by a photo of their choice.

- ◆ Sofia described her story with impressive detail and clarity.
- ◆ Jamie used her imagination brilliantly to bring the scene in her photo to life.
- ◆ Braydon demonstrated strong writing skills, successfully using a range of effective linguistic and structural devices to engage the reader.

It was a pleasure to see such creativity and effort across the group.

On Tuesday, we welcomed the Royal Navy, who worked with a selection of our pupils on a variety of problem-solving tasks. These activities encouraged pupils to communicate clearly, listen to others and work collaboratively as a team.

One highlight was a challenge to construct a six-foot structure using only the equipment provided. Pupils worked exceptionally well together, applying basic structural knowledge while demonstrating resilience and teamwork. These sessions play a vital role in developing pupils' character and soft skills. Well done to everyone involved.

A reminder that work experience placements must be organised by May half-term. Pupils are aware that once a placement is confirmed, they need to upload the details onto the Unifrog website.

If your child has not yet secured a placement, please ensure arrangements are made as soon as possible so the deadline can be met.

Our top positive points earners this week were:

George, Lorna, Daniel, Maisie, Lola, Tegan, Jamie, Tommy, Lily, Pippa and Louis.

A huge well done to all of you — keep up the excellent work!

Year 11 – Ms Taylor

Year 11 are now fully underway with their last set of PPE exams before the GCSEs start in May. This is the final formal opportunity for class teachers to give them the vital feedback they can use in the summer exams. I would urge students to be asking their teachers what 2/3 skills/concepts they should focus on in order to make the maximum difference in the final weeks. Revision should now be stepping up at home.

There are things that parents/carers can do to support students. Ensuring that they have a breakfast - even if this is taken to school to eat there - will make a huge difference. Some exams are over 2 hours long and concentration is limited when the belly rumbles. Starting to maintain regular bedtimes and get up times - this way 9am exams won't be an issue for the students - and many of the exams will be on time.

The vast majority of year 11 have conducted themselves beautifully this week. As our final practice continues, I am taking this opportunity to remind all students and carers that schools do not set the rules for exams - we are bound by JCQ regulations - and therefore any arrangements, including access arrangements, rules of conduct and what can and cannot be brought into the room are not decisions at our discretion to make. It is important that students listen to the exams team and invigilators so they do not risk their papers in the summer.

More prom invites will come out following the mocks for those students who have now met the criteria. A reminder to all those who have already been invited to get responses back to Mrs Edwards.

Top merit earners this week, and deserving of a shout out are:

Sebastian W (11M1), Neala W (11Z2), Mia A (11Z1), Edward A (11A2), Emily B (11A1), Holly B (11Z1), Matthew C (11M2), Amelie C (11A1), Harry G (11Z2), Harry G (11Z2), Sienna H (11A1), Bobby H(11M2), Meade M (11A2), Tom N (11D1), Niamh O (11Z1), Finn O (11M1), Ben S (11A2), Florence S (11Z1), Ronnie S (11M1) and Faith W (11Z2).

Have a lovely weekend

Welcome back to all of our Sixth Form students following the half term break. We hope you've had the opportunity to rest and recharge, it's a busy and important few weeks ahead as we head towards PPEs and the next stage of the academic year.

A huge congratulations to Ella for being crowned winner of the Great Rivers Bake Off! Well done also to Luke, who secured second place, and Connie, who came third. An incredible display of creativity and skill from all involved!

Looking ahead, PPEs begin next week. Students should now be finalising revision plans and making the most of independent study time. Phased study leave was announced in assembly this morning, and further guidance will be shared to ensure everyone feels prepared and supported.

We also want to celebrate the fantastic Sports Leaders Event that took place on Wednesday at the local football club. Our students represented the Sixth Form brilliantly, demonstrating leadership, professionalism and enthusiasm throughout the event.

Let's keep the momentum going, a strong start back sets the tone for a successful half term!

Bring Your Own Device (BYOD)

Rivers Sixth Form operates a Bring Your Own Device (BYOD) policy. The laptop trolley has been removed from the Sixth Form area, meaning students will need to bring their own devices into Sixth Form sooner than planned. If any students do not currently have access to a laptop or suitable device, please speak to a member of the Sixth Form team so that appropriate support can be arranged. Alternatively there are 10 laptops available in the LRC for Sixth Form students to rent for the day.

Exam Behaviour & JCQ Regulations

As we approach the exam season, it's important to remember the expectations for behaviour during all exams. To ensure a smooth and fair exam experience, students must adhere to the JCQ (Joint Council for Qualifications) regulations, which are in place to maintain integrity and fairness for all candidates.

Key points to remember:

- **Arrive on time:** Make sure you arrive at least 15 minutes before the exam starts. Late arrivals can lead to complications, and in some cases, may not be allowed to sit the exam.
- **Clear water bottle:** Only clear, unlabelled bottles are permitted in the exam room. No labels or logos are allowed on the bottle, and the bottle should be free from any writing or stickers.
- **Prohibited items:** Phones, smartwatches, or any electronic devices must be turned off and left in your bag, which should be placed at the back of the exam room. Only pens, pencils, and necessary equipment should be on your desk.
- **Respect and Focus:** It is essential to maintain a calm, respectful environment for everyone in the exam hall. Please follow the instructions given by the invigilators, remain focused, and take the time to carefully read all instructions. Following these regulations is vital for a smooth exam experience and for your success in the upcoming assessments. Let's all do our part to ensure that everything runs smoothly!

RIVERS SIXTH FORM

Sixth Form Dress Code

We would like to take a moment to recognise our students who have gone above and beyond in following the new Sixth Form dress code – we are very proud of how smart and professional they all look. Thank you for setting such a positive example.

Please continue to follow the dress code carefully, and if you are ever unsure about what is appropriate, don't hesitate to check with the Sixth Form team.

Please note: Following a first warning, students who do not meet the dress code expectations will be asked to return home to change before rejoining lessons. Thank you for your cooperation and continued high standards.

Exams/Study

Mrs Penberthy will continue to host an optional revision session in the Sixth Form area titled "Pemboodle's Revision". She provides snacks and light background music to create a warm and inviting environment. This session will run every Wednesday 3:20 - 4:20pm.

Catering

Menu

We have pleasure of enclosing a link to next weeks [menu](#). Please note that items are subject to change at short notice due to availability of produce from our suppliers. We welcome feedback on our catering offer; so please email our catering manager, Leanne Warner at lwarner@ormistonriversacademy.co.uk with any comments / suggestions.

Nut Allergies

Any form of nut or products that contain nuts should not be brought into school. We do have students with severe nut allergies, which can be life threatening, and we would appreciate your support in keeping them safe.

Parentpay

The daily limit for students to spend is set at £4.50 as a default. This means, should a student select items at break and / or lunch which take them over the limit, they will be asked to put something back. If you would like to change the limit on your child's account please email our catering manager lwarner@ormistonriversacademy.co.uk. Please note: it can take a while before the cashless system updates once you have added funds to your child's catering account. Please be mindful of this and try and get the money on there in plenty of time for break / lunch. When adding funds please ensure you add it to Dinner money and make sure it's not just sitting in your parent account.

Free School Meals

The daily limit for free school meals is £3.30. Funds will need to be added to your child's Parentpay account should you wish them to be allowed to exceed the limit.

Catering Cards

Students must tap their catering card each time they wish to make a purchase, even if they are entitled to free school meals. Please remind them that they need to bring their catering card in every day. Those students without their card will be held back until the end of the queue, allowing those through with cards first. The cards really speed up the catering service, giving students more time to socialise with friends and eat their food. If a card is lost or damaged, a new one can be purchased for £1 on ParentPay. The new card will be delivered to tutors the following morning.

If you have any questions regarding any of the above please contact either Leanne Warner, Catering Manager lwarner@ormistonriversacademy.co.uk or Angela Mahoney, Finance & Business Director amahoney@ormistonriversacademy.co.uk.

Essex County Council

Helping parents to understand the changes to fines for term time holidays

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools after 19th August 2024.

Who may be fined?

Penalty Notice Fines are issued to each parent who allows their child to be absent from school.

For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.

First Offence

The first time a Penalty Notice is issued for an unauthorised term time holiday the fine amount will be:

£80 per parent, per child if paid within 21 days.

Increasing to £160 if paid between days 22-28.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence, including the U code (late after registers have closed).

For example: a 5 day holiday would meet the national threshold.

The 10-school week period can span different terms or school years.

Second Offence

(within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be:

£160 per parent (who allowed the holiday), per child, payable within 28 days.

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court.

Prosecution can result in criminal records and fines of up to £2,500.

Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.
