The Art Place Chelmsford

Visit somewhere, anywhere and make it into an Art trip, by taking photos or sketching whilst sitting in a gallery or museum or even the park. It does not need to cost anything except time.

Complete a review of a piece of Art. Painting, sculpture, tell us why you like it, who made it, would you change anything? But most importantly, how does it make you feel? Ensure you have name of composition and Artist's name.

Mixed Media Challenge. Create a piece of Art using mixed media. Take a piece of newspaper and paint on it or make a sculpture out of recycling does not matter, take a day to be creative.

Most importantly, catch up with coursework. All coursework is to be up to date by the time you return, no excuses. Also be starting to think about your final piece as your Mock exam will be in December (TBC)

You should all have a list of what needs to be completed. All of this goes toward your final grade as coursework.
