

Logging Into Arbor for the First Time as a Student or Resetting a Forgotten Password.

Follow the steps below to set up a password and log into Arbor for the first time, or to reset a forgotten password.

 The screenshot shows the Arbor 'Log in' page. At the top is the Arbor logo. Below it is the heading 'Log in'. There are two input fields: 'Enter your email address' and 'Enter your password'. A green 'Log in' button is below the password field. There is a 'Remember me' checkbox and a link 'Forgot your password?'. At the bottom, it says '©2026 Arbor Education Partners Data Protection Policy Privacy Policy'.	Step 1 On a desktop or laptop, go to https://login.arbor.sc and click on the “Forgot your password?” link.
 The screenshot shows the Arbor 'Forgot your password?' page. At the top is the Arbor logo. Below it is the heading 'Forgot your password?'. A message says: 'No problem! Just enter the email address associated with your account below, and we'll email you with a link to reset your password.' There is an input field 'Enter your email address' and a green 'Reset password' button. At the bottom, it says '©2026 Arbor Education Partners Data Protection Policy Privacy Policy'.	Step 2 Enter your school email address and click the “Reset password” button.
 The screenshot shows a Microsoft 365 email notification. At the top are the Microsoft 365 and Outlook logos. Below them is a box with the Ormiston Rivers Academy logo and the text 'Change your Arbor password'.	Step 3 Open a new tab, go to www.office.com and sign in to your school Microsoft365 account. Open Outlook from the Apps menu to access your school email, and look for the email called Change your Arbor password Click the password reset link in the email to open the password reset page.
 The screenshot shows the Ormiston Rivers Academy 'Create password for' page. At the top is the Ormiston Rivers Academy logo. Below it is the heading 'Create password for'. There are two input fields: 'New password' and 'Confirm password'. A green 'Create password' button is below the confirm password field. Below the button, it says 'Password criteria: The password must be at least 8 characters in length. The password must contain at least one letter. The password must contain at least one number. The password must contain at least one lowercase and one uppercase letter.' At the bottom, it says 'Powered by Arbor'.	Step 4 Think of a new password that meets the requirements below, and enter it into both boxes Once you have entered the password into both boxes, click the Create password button. If the password has been accepted, you will be taken back to the Arbor Login page. If the password you’ve chosen doesn’t meet the requirements, or if you didn’t enter the same password in both boxes, you will see a message just below the password boxes telling you what the problem is. Password Requirements • At least 8 characters in length • Must have at least one letter • Must have at least one number • Must contain at least one uppercase letter
 The screenshot shows the Arbor 'Log in' page. At the top is the Arbor logo. Below it is the heading 'Log in'. There are two input fields: 'Enter your email address' and 'Enter your password'. A green 'Log in' button is below the password field. There is a 'Remember me' checkbox and a link 'Forgot your password?'. At the bottom, it says '©2026 Arbor Education Partners Data Protection Policy Privacy Policy'.	Step 5 Enter your school email address and your new password in the boxes provided and click the Log In button. If you have entered your email address and password correctly, you will be signed in to Arbor.
 The screenshot shows the Arbor Student App login screen. At the top is the time '11:55' and the signal/battery status. Below it is the Arbor logo. A message says: 'Hi, welcome to the Arbor Student App 🌟'. There are two input fields: 'Email' and 'Password'. There is a 'Remember me' checkbox. A green 'Log in' button is below the password field. Below the button, it says 'Forgot your password?'. At the bottom, it says 'Arbor version: 1.0.0 Using Google Play Store'.	Logging into the Arbor Student App Now that you have set a password on the Arbor website, you’ll be able to enter the same email address and password into the app to log in.
